

Suggest your own Finnish course in Jyväskylä!

Feel free to suggest any time and level of the course and I'll start planning it.

Unless you already have a group of four students, I'll find the other students to join you.

In all cases, I'll have a short Skype session with all the students before the course.

If you don't live in Jyväskylä, I can also help you in finding suitable accommodation and figuring out all the fun things that you can do here during your free time.

I can also travel to nearby cities for a day or two for an intensive two-day course.

An intensive course

- Four classes of 45 minutes per day (e.g. from 9.15 to 12.30, leaving you a nice amount of time to be a tourist, practice sports, study Finnish on your own, or take additional Finnish lessons.)
- Five days in a row
- Four students
- Price: 250 € per student

Possible themes:

- Practicing for the Yki exam (basic / intermediate / advanced)
- Discussing current topics and newspaper articles
- Reading and studying a Finnish novel
- Figuring out the difficult grammar bits you've never had the time to study properly
- Total immersion! Not a word in any other language but Finnish.
- A beginner's course with a text book of your choice
- Finnish for nurses/doctors/translators
- Finnish for a group of students with the same mother tongue
- A group for moms and babies
- Cooking and baking in Finnish
