

EA (Emerging Artists) – Willy Wonka

Emerging Artists MT (EA) is for students in 6th-8th grade and will revolve around production of a musical. It will teach students harmony singing, basic music theory, dance and choreography. Students in this level will work on acting and character choices. Students will be taught and mentored by a production team of an EHPA Director and experienced high school assistants. The class meets 2 hours per week and there will be some rehearsals outside of regular class times. Students are expected to practice at home, and parents are expected to give 10 hours of volunteer time. Audition information will be available early in the semester. Classes may continue after performances. Young Artists (4th-6th) and Emerging Artists (6th-8th) will both be performing the same show with different casts. **Performance dates are Apr 18 at 7pm and Apr 19 at 1pm and 4pm.**
