

# ERIC DAUENHAUER

EMAIL: eric@ericyd.com

WEB: ericyd.com

GITHUB: github.com/ericyd

CITY: Portland, OR, USA

## OBJECTIVE

---

Launch into a career as a web developer, utilizing my background in front end technologies, QA, and NodeJS.

## CREDENTIALS

---

### Technical

- Proficient in MVC design patterns in NodeJS with Express and some Hapi
- Fluent in single page application and server-rendered content with React and Svelte frameworks
- Fully stocked front-end toolbox: Sass/CSS, HTML, Pug, Hogan/mustache, limited Angular
- Experienced tester: unit testing (Mocha, Ava), API testing (Postman), and end to end (TestCafe, Selenium)
- SVC and build tools: Git, SVN, Webpack, Gulp, Browserify, Jekyll
- Database: MySQL, MongoDB, Firebase
- Scripting: Python, Bash
- Data processing (processing lidar, numeric modeling, statistical testing) with MATLAB/Octave
- Fluent in open source and proprietary software: operating systems, productivity suites, and design suites

### Interpersonal

- Clear, concise and accurate written communication skills
- Assertive, results-driven team leader and collaborator in team environments
- Organized, focused attention to deadlines and concurrent projects; highly detail oriented

*Continued on next page*

## WORK HISTORY

---

### **A●VIBE Web**, QA Specialist: *Aug 2016 - Present*

- Responsible for testing all applications developed in-house before reaching production.
- Generated set of test checklists for company-wide application testing
- Developed automated test suites with Postman and Testcafe

### **Office of Information Technology at PSU**, Computer Lab Coordinator: *May 2015 - Aug 2016*

- Oversaw day to day operations; consolidated, streamlined and lead the hiring and training process
- Created a proposal for a Peer Mentor program to develop seasoned employees and improve the on-boarding process

### **New York Life**, Office Manager: *Nov 2012 - May 2015*

- Managed schedules for client meetings and third party providers; coordinated press releases and advertisements

## EDUCATION

---

### **Portland State University, 2016**

Bachelor of Science in Geology

Cumulative GPA: 3.9/4.0, *Summa Cum Laude*
