

Math 7A

Credit Recovery Course Overview:

Credit recovery courses **include a daily attendance requirement** in addition to asynchronous instruction to provide students with a high level of learning. IDLA will provide the course content, Learning Management System, teachers, and internal support staff. Districts will provide local personnel to support the students with intervention support, social-emotional support, physical and/or virtual technical access to courses, and transcription of credits.

Lessons include graded learning activities integrated within the content and are worth 60% of the overall grade. Certified teachers check in on students frequently and attendance is recorded when a student **logs in and completes some work** each day. There is no high-stakes final exam; just shorter incremental assessments in each unit that are worth 40% of the overall grade. Students must complete all unit assessments to pass the course.

Course Description:

This is the first semester of a two semester Math 7 course that aligns to the Idaho Core standards for seventh grade mathematics. This course will dive deeper into concepts in equations, expressions, measurement, inequalities, proportions, and functions and will connect those concepts to real-world applications. Students will practice these mathematical concepts in a variety of forms and applications. Students will employ the standards of mathematical practice as they work through course material.

Unit Titles:

Unit 1: Course Introduction
Unit 2: Operations
Unit 3: Measurement
Unit 4: Rates, Ratios, and Proportions
Unit 5: Expressions
Unit 6: Equations
Unit 7: Inequalities
Unit 8: Functions

Suggested Prerequisites:

None

Compatibility:

This course is Chromebook compatible.

Required Textbooks and Resources:

There is no textbook required for this class. All required resources are available through the online course.

Technical Requirements for Course Activities:

A laptop or desktop computer less than 6 years old with the latest release of browser and operating system.

A high-speed internet connection.

A current email account.

Chrome, Edge, or Firefox web browser.

A headset with a microphone.

Create files with a word processor.

Save, download, and attach files to submit assignments.

Work in multiple tabs within an Internet browser.

Other technical skills will be taught within the course.

Accessibility and Assistive Technology:

Visit the [Accessibility Tools](#) for assistance and information on assistive technology available to you.

Technical Support:

The Resources tab in your class also provides information about how to access technical support and is found under the same Resources tab as the Accessibility and Assistive Technology.

Phone: 1-208-342-0207

Email Address: support@idla.k12.id.us

Office Hours: 7:00 a.m. to 6:00 p.m. (MST) Monday through Friday

Other Policies:

Visit the [Parent/Student Resources website](#) to obtain information about other policies such as fees, drop deadlines, how to enroll, how grades will be reported, and how to set up your proctored final exam.

Ownership of Materials:

All ownership, copyrights, trademarks, and other rights in Idaho Digital Learning Alliance (IDLA) courses shall remain with Idaho Digital Learning Alliance. Except as expressly authorized, students and schools using Idaho Digital Learning Alliance courses do not have the right to sell, transfer, license or distribute Idaho Digital Learning Alliance courses in any other format, context, manner, or means or for any other purpose not specifically authorized without Idaho Digital Learning Alliance's prior written consent.
