

Privacy Policy – Chess

Chess respects your privacy. This app is designed to provide a fun and secure chess experience while collecting as little information as possible.

Information We Collect

- Chess does not collect or store personal information such as your name, email address, phone number, or location.
- Game settings, preferences, and saved games are stored locally on your device.
- No user account is required to use the app.

Permissions

The app requests only the permissions necessary for its features. It does not access your contacts, messages, photos, or personal files unless a future feature specifically requires it.

Third-Party Services

If advertisements, analytics, or cloud features are introduced in future updates, they may collect anonymous usage information according to their own privacy policies.

Data Security

Your game data remains on your device. We take reasonable measures to provide a secure and reliable experience.

Children's Privacy

Chess is suitable for players of all ages and does not knowingly collect personal information from children.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. Any changes will be reflected in future app updates.

Contact

For questions or feedback, please contact the developer through the Google Play Store listing.
