

Dragon Boat Race, 6th July 2024

Taking place on 6 July 2024, on the river Avon, Monkton Park in Chippenham, this event promises a fun-filled day with your colleagues or friends whilst making a meaningful impact on the lives of those who have risked everything to keep us safe.

Here's how it works:

- Teams of 11 will compete against each other in timed qualifying races.
- Racers can be rotated if teams have more than 11 wanting to participate.
- Each team will participate in three qualifying heats, and the teams with the fastest times will advance to the Grand Final race.
- Each team will have their own 3mx3m marquee.
- An award ceremony will follow, where the Grand Final team Captains will receive laser-engraved trophies for 1st, 2nd, and 3rd place.
- Additionally, each winning team member will be presented with winner medals, and the Team Captain will receive a well-deserved bottle of champagne to celebrate their accomplishment.
- To add an extra layer of excitement, you can request head-to-head races, allowing you to compete against your colleagues or even rival teams from the same sector.

The cost per team will be £1000. Register with a 20% deposit as soon as you can to secure your place and it will pay for your team 3mx3m marquee. How you raise the additional £800 is entirely up to you but we would request that the final amount be paid at least 10 days before the event. If this might prove difficult, please contact me to

discuss any other options. You can set up a Just Giving page by going to www.justgiving.com/felixfund. We are more than happy to help promote your Just Giving or GoFundMe page on our social media platforms.

Monkton Park is beautiful and close to the town centre with parking, a children's play park and a mini 10-hole golf course next to where the event will take place, so bring your families along (including the dog) to cheer you on! All team members must be 12 years or older and have a minimum height of 130 cm. There will also be food vendors on site.

Let's paddle together towards making a difference and creating a successful Dragon Boat Racing event supporting the Felix Fund. We can't wait to have you join us!
