**Summary:** Listener (a Princess) meets Prince Elliot McCorden the 3<sup>rd</sup> at a royal gathering. The prince takes quite a liking to the Listener and ends up capturing her. He brings her to his secret hideout in a forest far from home.

**Speaker's Character:** Prince Elliot McCorden the 3<sup>rd</sup>

(Crowds, talking, light music in the background)

(Listener is walking towards a table with some drinks.)

Elliot: (Walks up to Listener) Pardon me my princess. I could not help noticing you only came with your parents. I'm surprised that someone as lovely as you does not have a prince beside her.

(Listener responds)

Elliot: (Chuckles) There's no need to be shy. Allow me to introduce myself. (Bows) I am Prince Elliot, the 3<sup>rd</sup> of the McCorden family. It is a pleasure to meet you.

(Listener curtsies, introduces herself)

Elliot: What a sweet name for a beautiful lady. (Takes Listener's hand, places a gentle kiss on her knuckles) Such lovely skin as well.

(Listener responds)

Elliot: (Laughs) I do so enjoy seeing your expressions my dear!

(Listener responds)

Elliot: (Clears throat) Ah, yes, I can let go of your hand now. Apologies. (Nervous chuckle) A-Anyway...how is your family doing?

(Listener responds)

Elliot: (Smiling) Wonderful! I'm glad to hear that they are doing well!

(Listener responds)

Elliot: My family is doing as well as they can be I suppose.

(Listener responds)

Elliot: Hmm? Oh, it is nothing. I just want something more in my life, I guess. I'm not completely sure on what that is though. How about you?

(Listener responds)

Elliot: (Chuckles) It sounds like your hobby of writing is quite enjoyable. I hope it will take you far!

(Listener responds)

Elliot: I would love to read your works if you are comfortable with sharing them!

(Listener responds)

Elliot: I mean it though. I really would love to see your writing! I-

(Listener interrupts)

Elliot: As I said, I'm sure your writing would take you far and I want to read your work! No need to be so modest! (Chuckles) Care to take a stroll outside?

(Listener responds)

Elliot: If I may take your hand once again?

(Listener responds)

Elliot: (Smiling, takes Listener's hand) Thank you. Let's go.

(Walking on tile floors, doors opening, sounds of walking on grass)

Elliot: The gardens are quite lovely at night I find.

(Listener responds)

Elliot: Sounds like you too enjoy night strolls then! (Chuckles) I'm glad to have that in common with you. Tell me more about yourself!

(Listener responds, some time passes)

Elliot: You have done quite a lot to be so well known amongst other kingdoms in other countries! Very fascinating!

(Listener responds)

Elliot: (Laughing) You are so sweet my dear! Your company has been such a pleasure to be a part of!

(Listener responds)

Elliot: (Smiling) Thank you! I'm glad I have brought you joy as well. Hmm?

(Listener and Elliot stop walking)

Elliot: (Concerned) Is there something wrong?

(Listener responds)

Elliot: (Sighs) Phew! You scared me for a second there. It is rather late. I'll take you back inside to your family. It has been a most grand night with you my sweet!

(Listener responds, both walk through grass, back into the castle)

Elliot: Do take care of yourself! We shall meet again! (Chuckles darkly to himself) (Inner monologue) *She is too precious to let get away so easily. She shall be mine!*

(A few days later)

(Rustling sounds, Listener moves around slowly waking up. She is sitting up in a bed.)

Elliot: Rise and shine my dear. (Chuckles)

(Listener responds)

Elliot: Relax, no need to be alarmed. You are safe with me. (He notices that Listener is scared and is starting to cry). Shh...calm down. Breathe. You are in good hands now.

(Listener responds)

Elliot: Where are you at? You mean you don't know me? (Disappointed) That hurts me that you do not remember meeting me before. We met at that recent party my family held. You do not remember that?

(Listener responds, realizing)

Elliot: I see you are finally remembering my sweet! That is good! Very good! (Chuckles) I am so glad that you remember me now. (Walks closer to where Listener is at. Gently grabs her chin.) You have such great beauty and kindness my dear.

(Listener responds, nervous)

Elliot: Do not worry. I shall not harm you.

(Listener responds)

Elliot: What do I want with you? As if you don't know. Must I really explain it to you?

(Elliot let's go of Listener's chin and sits down beside her. Listener tries to move away from him. Elliot grabs Listener's wrist.)

Elliot: Do not try to get away from me, my beauty. As I said, I will not harm you. What I want with you is to have you at my side.

(Listener struggles to free her wrist. Elliot grabs her other wrist, pulling her closer to him.)

Elliot: (Aggravated) I told you not to get away from me. You leave me no choice. Lie down.

(Listener still trying her best to break out of his grip.)

Elliot: (Angry) I told you to lie down! Do as I say!

(Listener complies, very frightened.)

Elliot: Good girl. Now, I shall tie your wrists and ankles so that you cannot get away from me. (Elliot ties Listener's wrists and ankles together.)

Elliot: (Caressing Listener's cheek.) Such soft skin. Now, as I was saying I want you by my side. You are too precious for others to have. I have taken us to my own secret getaway. Not even my bodyguards know about this location.

(Listener responds)

Elliot: You think you can escape from me? Oh darling. There is no escape for you. You belong to me!

(Listener responds, struggling with binds)

Elliot: I told you, there is no point in struggling my dear. You will stay by my side.

(Listener responds boldly)

Elliot: (Laughs) Oh my! Such fire! I am glad to know that you have such a side to you my sweet! It makes you even more interesting to keep!

(Listener struggling again)

Elliot: (Sighs) As much as it pains me to keep you tied up, I have no other options. I cannot risk you leaving me. Now, I shall go and prepare a meal for you. (Gets up from the bed)

Elliot: Remember, there is no point in struggling. You are mine! I will be back shortly my dear! (Leaves the room, door closing)

(Some time passes, door opening)

Elliot: I am back sweetheart!

(Listener responds, trying to sit up)

Elliot: (Holding a tray of food and water) I have your meal. Let me help you. (Sets tray down on nearby nightstand)

(Elliot helps Listener sit up on bed, grabs tray, sits on bed with Listener)

(Listener responds)

Elliot: Come now, you must be hungry and thirsty. You have been out for a few days.

(Listener responds)

Elliot: (Sensing Listener's uneasiness) It's not poisoned. I would not do that to you. (Takes a bite of bread) It's good. You need to eat.

(Listener responds)

Elliot: (Chuckles) Your stomach agrees with me. I'll feed you. Now, open.

(Listener responds)

Elliot: (Sighs, aggravated) If you do not open that pretty mouth of yours, I will let you starve the rest of the day. I do not want to do that to you, but I will if it is the only way for you to obey me.

(Listener complies)

Elliot: (Smiling) That is a good girl. Now, say awe!

(Listener opens her mouth, chews food)

Elliot: MMMM...Good right?! I made it especially for you darling!

(Listener nods her head)

Elliot: Now, if you continue to exhibit good behavior, I will untie your wrists and ankles. For now, I must keep you this way.

(Elliot feeds Listener again)

Elliot: The way you eat is even so cute and adorable.

(Listener responds)

Elliot: (Chuckles) I love making you blush.

(Listener finishes eating, responds)

Elliot: Your family? What about them?

(Listener responds)

Elliot: You do not need your family. You only need me. I will be all you ever need! Ever since we met, I have not stopped thinking about you! I know I'm being selfish in keeping you here with me, but I do not want to let the world have you! I-

(Listener interrupts)

Elliot: (Laughs maniacally) I cannot keep you here you say. Really?!

(Listener responds)

Elliot: As I have already said, you are mine! I shall and will keep you here!

(Listener responds)

Elliot: My family? I do not need my family. They are better off without me.

(Listener responds)

Elliot: (Offended) I am not going to cry! How dare you say that!

(Listener responds)

Elliot: (Maddening) Lonely? You think I captured you because I am lonely?!

(Listener responds)

Elliot: (In denial) I am not lonely! I am perfectly content!

(Listener responds)

Elliot: (Hightend emotions) You do not know everything about me, and I am not lonely! You-

(Listener interrupts)

Elliot: (Weeping wiping away tears) (Angry) Silence! You shall not have any more food or drink today! I will be back later! (Gets up from bed)

(Listener attempts to speak)

Elliot: (Still angry) Do not speak! You will learn to love me! You shall see what I can give you! I can give you everything you need right here! (Chuckling manically)

(Breaking point, insane) Darling, I shall rid of your distractions so that your thoughts and feelings are only on me. But first, let me cover that beautiful mouth of yours. (Chuckles evilly)
