

FCCLA Fall Leadership Conference

Utah Valley Convention Center

220 W. Center St.

Provo, Utah 84601

October 2, 2025

Utah FCCLA Advisers,

Get ready for an unforgettable day at this year's **FCCLA Fall Leadership Conference**—a powerful kickoff to your student officers' leadership journey (*Limited to 10 students per school*)! Our dynamic keynote speaker, **Ryan Stream**, will inspire with his remarkable story of overcoming adversity, including his time in foster care, and finding strength through service and resilience. We'll also be joined by **Trevor Bergman**, who will introduce this year's impactful State Service Project—giving your chapters a meaningful way to give back. And because we've listened to your feedback, this year's workshops are refocused on the "how-to" of FCCLA—equipping students and advisers with real tools, strategies, and confidence to make this year a success. Join us for a day of motivation, connection, and purpose!

Utah FCCLA Fall Leadership Training will be held **Thursday, October 2, 2025** at the **Utah Valley Convention Center in Provo**.

- **Registration:** Opens at 8:30 AM (chapter pictures, FCCLA swag sales, and chapter planning time)
- **Seating:** Please be seated by 10:20 AM
- **Conference Start:** 10:30 AM sharp
- **Conference End:** Approximately 5:00 PM

This adjusted schedule was created to better coordinate with school transportation needs. An email with details about the time change was sent in June, and **we appreciate your flexibility** as we pilot this new format for 2025. [see email here](#).

We ask advisers and students to plan ahead so participants can **stay for the full day**—this is a once-a-year opportunity for FCCLA members to connect, learn, and lead. Please make arrangements in advance for work, sports, childcare, and other commitments so students can fully benefit from this experience.

This conference is for any FCCLA adviser(s) and chapter officers. The registration cost is \$60.00 Lunch is included in the cost. The deadline for registration is **September 18, 2025**. Remember, before you can register your students need to be affiliated nationally!

- **Step 1: AFFILIATION:** All students and advisers attending the conference must be affiliated with National FCCLA before registering for the conference. Please read the [FCCLA Affiliation Step by Step Instructions](#) before you proceed to affiliate for the first time this year. Attached are the instructions on how to affiliate. Go to the National website (www.fcclainc.org) and click on "Chapter Login". If you affiliated last year you will use the same username and password. **DO NOT HIT FIRST-TIME AFFILIATION.**
- **Step 2: CONFERENCE REGISTRATION:** **Registration will open on September 1st.** \$60 per attendee. After you have affiliated your chapter then click on this link <https://www.registermychapter.com/fccla/ut-fall> to register for Fall Leadership. You will be able to print an invoice from the registration site. The Utah FCCLA finance administrator will be receiving **all money for the conference**. Mail checks to **Utah FCCLA c/o Brendan Abbott**
P.O. Box 162, Vineyard, UT 84059

- Make checks payable to **Utah FCCLA**. Your payment must be sent to complete your registration on time along with a copy of your invoice. The online registration site will close at midnight on September 18th, and payments must be postmarked that day. There will be no refund after the online registration is completed or after the September 18th due date. The registration letter and other forms are attached and are also available on the [Utah FCCLA website](#). Please make sure that all names are spelled correctly. Name Tags are printed directly from the online registration.
- **Step 3: DRESS CODE:** Have each student complete a Code of Conduct and Medical Information form for each student. All students must be in **FCCLA meeting dress and sign the media release form for this year**. All of these forms can be found [HERE](#) under “required documents”. No jeans for students or advisers, no torn or ripped clothing, black, white and red are the FCCLA required colors.
- **Step 4: HOTEL RESERVATIONS:** Schools that are staying the night before the conference will be responsible for making their own hotel reservations.
- **SERVICE PROJECT:** Utah FCCLA is proud to support foster youth through a statewide sock drive in partnership with Utah Foster Care and We Help Two. Each year, thousands of children enter foster care in Utah, often with very few personal belongings. Something as simple as a clean pair of socks can provide comfort, warmth, and a sense of dignity. Our goal is to sell 2,500 packs of socks—if we reach that goal, 1,250 pairs will be donated to foster children across the state. FCCLA chapters are encouraged to get involved by hosting sock drives, sock hops, “Socktober” events, or other sock-themed fundraisers in their schools and communities. Details and promotional materials will be available soon at www.utahfccla.org. Let’s work together to make a difference—one pair of socks at a time. Email Trevor to get started trevor@wehelptwo.com
- **SHOP FCCLA:** We have a variety of FCCLA swag for purchase at fall leadership along with Socks from We Help Two ([Link](#)). Cash or credit card. We will NOT be shipping items, so make sure to pick them up during Fall Leadership Conference. We do not accept Venmo.
- **Parking**
Parking in the south end of the Smith’s parking lot is \$12 per car for a day.

Fall Leadership is a wonderful way to begin your year! This year, I want to focus on service that truly pulls at the heartstrings and reminds us why FCCLA exists—to help others. Our theme, “**Lights, Camera, ConneCTEd**,” highlights how Career and Technical Education (CTE) classes serve as a powerful gateway for students to join FCCLA—an organization that can truly change lives.

As we learn from our motivational speaker, Ryan Stream, we’ll be inspired to move in the direction we’re looking. His message aligns perfectly with our mission this year: to make meaningful connections and lead with purpose. Let’s make this year count by leading with compassion, empowering students through service, and staying truly *ConneCTEd* to our purpose.

Thank You,
Utah FCCLA Board
