

2021 MomBall Donation Drive to Benefit Beverly Bootstraps

It's a competition to see which school (there are 14) can raise the most items to help North Shore families in need through Beverly Bootstraps!
Each school has been assigned one item.

The Essex North Shore Agricultural and Technical School “Mutha Hawkers” have been assigned:

PASTA

Can you help our school raise the most items for families in need? **Let's see the Hawk Pride and bring in your boxes of pasta to school by 9/16**

MomBall is a charity softball tournament played in Beverly to help benefit public education and local charities. Our school's Skills USA group helps to run the snack shack all weekend and receives a percentage of the profit to help their efforts. We have approx. 26 moms playing this year and would love your support. The tournament is the weekend of 9/17-9/19 at Harry Ball Field in Beverly.
