

Update - 9th of January 2025

Staff and our pupil steering group have been working on our Silver Accreditation action plan and evaluation over the past few months in preparation for our Accreditation visit on Wednesday, 5th of February 2025. You can find a summary of our action plan [here](#).

Our Article of the Month for January is **Article 2 - Non-Discrimination: All children have these rights**. This will link closely with a number of events this month including World Day of Peace (1st of January), World Religion Day (19th of January), Martin Luther King Day (20th of January) and Holocaust Memorial Day (27th of January).

A further update will be shared following our accreditation visit in February.
