

SRC 3-person Scramble Tournament Rules

Scramble

Participants will play a 3 person scramble format. Each player will hit his or her tee shot to begin each hole. The team will choose the best shot and from that spot each player will hit his or her second shot. This format will continue until completion of the hole and a single score is recorded. Upon completion of the round, the 18-hole total will be the team's overall score.

The holeing of any shot constitutes the end of the hole for that team and the score at that point becomes final. This situation typically becomes an issue when a team having a particular putt has a player miss the putt and decides to putt out before the second player has an opportunity at the original putt.

Bogeys are your friend. The highest you can score on a hole is bogey.

Rooks County Golf Course Rules

Be sure to follow all the course rules.

Improving your lie in a scramble

Each participating team must mark the spot of each selected shot with something. At that time all members may lift, clean, and place their golf ball according to the stipulations listed below. If your ball comes to rest by or behind a man-made obstruction you may take relief to the nearest point you have a swing.

Fairway

The ball may be placed one club length from the spot of the selected ball no nearer the hole. When placed the ball must stay in the fairway.

Rough

The ball may be placed one club length from the spot of the selected ball no nearer the hole. The replacement of the ball may improve the team's stance, swing, and line of sight, but must not be placed outside the one club length limit. When placed, the ball must remain in the same cut of rough in which the selected ball came to rest.

Hazard

The ball may be placed one club length from the spot of the selected ball no nearer the hole. The replacement of the ball may improve the team's stance, swing, and line of sight, but must

Stockton Recreation Commission

“Stronger. Together.”

not be placed outside the one club length limit and remain in the same hazard in which the selected ball came to rest. Regarding sand traps, the trap may be raked before placement of the ball.

Putting Green

The selected ball may be placed one putter-head length from the spot of the selected ball no nearer the hole. If you find yourself in the dirt patches on the green, you may take relief out of them but can't be no nearer the hole.

Putts

Putts inside of a standard putter length are considered good.

Scoring

At the completion of play, all teams are to sign and attest their respective scorecards and turn them into the respective Stockton recreation individual. Each scorecard must have the signature of the scorer as well as a signature from the participating team.

Tie Breaking Policy

Stockton recreation will determine all ties utilizing a “card-off” system. The scores starting on the #1 through #18 handicapped ranked holes will be used to determine the winners.

Mulligans

Teams are allowed to buy 2 mulligans per team. Mulligan is a shot not counted against the score. This will allow the team to nullify their last shots and take 4 new shots which they then will have to choose from.

Tees

Men: White markers then Blue Markers

Men seniors (65-74): Yellow markers and then white Markers

Men Super Seniors (75 & older): Red markers and then yellow markers

Ladies: Red markers and then Yellow markers
