INDIVIDUALS / ORGS / BUSINESSES - External list of GoFundMe fundraisers here
In the coming days look for ways to support individual downtown businesses through fundraisers, mutual aid, and purchasing gift cards. Montpelier Alive and Barre Partnership will likely coordinate this in addition to independent requests.

Our beloved, small businesses were just emerging from pandemic losses. Thank you for helping them clean up, rebuild, restock, and reopen!

Flooding and destruction, but the community is coming together. Brighter days ahead - come visit in the fall and support our resilient, sweet town and small businesses.
