February 4, 2023 meeting of the South County Social Justice Coalition

About 20 coalition and community members attended the meeting held at the Unitarian Universalist Congregation of South County at 6:30 PM on Sunday, February 4, 2024.

Etta Zasloff introduced Christopher Little, Chair of the Housing Authority Corporation of South Kingstown, who presented the plans to date for increasing affordable housing units at Champagne Heights and Fournier Estates without disrupting the present tenants. South Kingstown is working with the RI Housing Authority for funding. Chris fielded questions from the audience, who seemed to overwhelmingly approve of the plans.

The next quarterly meeting was set for April 7, 2024 at 6:30 PM at St. Augustine's Episcopal Church with presenters from the League of Women Voters.
