-

◆ 2. Session Time & Pacing

- Studio time includes: setup, soundcheck, recording, breaks, and rendering/exports.
 - We ask artists that arrive early to park in guest parking until verbally cleared for entry to ensure a smooth start.
 - Sessions that **run over the scheduled time** will be charged in **30-minute increments** at \$25 per half hour.
-

◆ 4. Redo & Re-Recording Policy

We respect the artistry of evolving creative work. That said, the studio operates on billable time — and additional creative sessions to "rework" or "re-record" projects are treated as **new bookings**.

Here's how we handle it:

- **If a client chooses to redo a song after a session is complete**, they must book a new session at the regular hourly rate.
- We **do not offer free redos** due to client dissatisfaction with personal performance or creative direction.
- To help prevent this, we **encourage artists to book enough time up front** to experiment, review, and fine-tune their work during the initial session.

Tip: Remote sessions are a good tool for this.

Suggested Workflow for Redos:

- 🔄 Want to try it again? Book a fresh **Redo Session** at \$50/hr.
 - 🎧 Not sure yet? Book a **Remote Review Session** (1 hour) to listen back with our engineer and plan improvements.
 - 🛠️ Want to polish without re-recording? Ask about **Post-Session Mixing Edits**.
-

◆ 5. Cancellations & Rescheduling

- Cancellations made **with at least 24 hours' notice** may be rescheduled **once** without penalty.
 - No-shows or cancellations made with **less than 24 hours' notice** will forfeit their deposit.
 - Emergencies will be handled case-by-case with compassion and fairness.
-

◆ 6. Files, Storage & Delivery

- Final mixes and stems are delivered within 48 hours via download link.
 - Sessions are archived for **30 days** unless otherwise requested. Long-term storage is available for a small fee.
 - Clients are encouraged to **bring a USB drive** or request digital delivery during their session.
-

◆ 7. Studio Etiquette

- Respect the space, gear, and vibe.
- No extra guests without prior notice.
- Smoking is not permitted inside the studio. Designated areas available.
- We reserve the right to end a session without refund if behavior is disruptive, disrespectful, or unsafe.

- Avoid unnecessary profanity or explicit conversation — remember that children and other household members may be present.

4. Alcohol, Drugs & Identification

- This is a no-alcohol, no-illegal-drugs environment. Do not bring or consume such substances on the property.
