

Amplifying Faiths 4 Climate Justice on social media

Week of action September 14 to 24

And major media moment on Tuesday September 17

Main points

- **What to share before September 17**

- **Images of banners going up outside places of worship**

If you are on social Facebook or Twitter/X, please help build a **social media drumbeat**. Activity on social media in the lead up to the Week of Action makes it more likely that journalists will be interested when they start receiving the media release.

Anyone who has a banner, please take a photo of it - perhaps with a community group - and post it on Facebook and Twitter/X. Please don't email the photo to us, but **post it on your own Facebook page** or Twitter feed. You might say in your post why your community has taken this action. The Facebook page could either be the one for your place of worship or just your own one if that's easier.

- **What to share on September 17**

- **Video**

There will be a very shareable video from senior faith leaders addressing the PM and the Leader of the Opposition. It will come out on the morning of Tuesday September 17th.

- **Images of banners at cathedrals etc**

Images will be going up of banners of and billboards outside major places of worship such as cathedrals. Please share these on the day (but not before!)

- **News stories**

Look out for media coverage on the day and share this.

- **Where to find stuff to share**

- [ARRCC's Facebook page](#)
- [ARRCC on Twitter](#)
- By searching Facebook and Twitter in the search bar using #Faiths4Climate

- **Remember**

- Use the hashtag: #Faiths4Climate
- Tag the decision makers listed here especially the PM and the Leader of the Opposition
