Erikson's Playlist

1. With your partner, think of a song that relates to the stage of development you were assigned.
2. Find the lyrics to the song online and read through them. Be sure that the song and its lyrics represent the stage well. If not, choose another.
3. Paste the link below at the bottom of the list with your names next to it in parentheses (don't include any other information (i.e. don't give away what stage it represents!).
4. WIth your partner, look through the lyrics provided by your classmates and (in your notebook) make a list of the songs provided; then, attempt to identify which stage each is supposed to represent. We will discuss together, and the answers will be revealed.

F block songs:
