- Sections are marked for available seating. Only sit in areas marked and remain facing forward and seated during the event.
- There will be no concessions sold at events at Carver.
- Only water is allowed in the gym. No food items.
- We ask that all fans/family members leave after the game ends so family members of players in the next game will have seats and be able to attend.
- Please socially distance when waiting for a seat. If no areas/seats are available inside the gym, fans and family members can wait in cars. We will create a waiting list and can phone call you when seats become available, if needed.
