Essential Skills for NEW TEACHERS

\$150 members/\$300 non-members

GREAT opportunity for teachers that hold a license with stipulations!

Stepping into the classroom as a new teacher can be both exciting and overwhelming. This interactive learning community is designed to equip new educators with essential teaching practices, professional dispositions, classroom management and strategies for supporting student behavior effectively. Through hands-on activities, discussions, and real-world scenarios, participants will explore best practices in learning design, classroom culture, student engagement, and fostering a positive learning environment.

Key Takeaways:

- Understand core teaching practices to create effective and engaging lessons
- Develop professional dispositions that support growth, resilience, and collaboration
- Learn classroom management techniques to promote positive student behavior
- Gain strategies for building strong relationships with students and creating an inclusive classroom

This workshop will provide new teachers with the confidence and tools they need to thrive in their teaching journey. There will be an Elementary cohort and a Secondary cohort to meet the needs of each grade-level band.
