

Washington State Department of Agriculture
Hemp in Food Task Force
September 29, 2022 (1 to 4:00pm)

Agenda (revised)

1:00 – 1:15 Welcome and review/amend agenda

1:15 – 1:30 Clarifying questions pertaining to Jessica Allenton’s “guidance and information update” from September 21

Reminder of WSDA’s 5 limiting recommendations for the Task Force:

1. Focus on Cannabinoids only right now
2. Focus on pre-packaged food only right now
3. Express regulations via rules rather than statute
4. Invoke expedited rule-making authority
5. Statute should address directions for setting rules (to allow flexibility)

1:30 – 2:15 Hear and discuss recommendations from Terms and Definitions workgroup

2:15 – 2:30 break

2:30 – 3:30 Hear and discuss recommendations from Biosafety & Concentration workgroup

3:30 – 3:45 Open discussion

- To what extent do members feel they agree with emerging recommendations?
- What are we possibly missing?
- How can members not present offer comments or ask questions?

3:45 Next steps
