Last Revised 2025-26 School Year

Message from the Principal—Mr. Klusmire

Welcome back, Wildcats.

At Fruita Monument High School, we cultivate innovation, passion, and achievement in a learner centered environment. I encourage all of you to take courses that challenge you, courses that inspire you, and courses that will directly benefit your future plans. Whether it is attending a four year university, a two year trade program, or entering the workforce, we will help you determine the best path for you and equip you to be successful along the way, so long as you practice the two expectations below:

1. Respect
2. Responsibility

Respect—At FMHS, we expect you to ALWAYS BE AWARE, BE READY, and STAY PRESENT. Being aware helps maintain your physical safety and ensures that you are respecting the well-being of others through your own actions. Wildcats are always ready when they show up for class, both with materials and with the assignments they need to complete. Finally, we ask that you are present; both physically and mentally, when you are here. Showing respect in these three ways will help you be a successful Wildcat.

Responsibility—As a Wildcat, we expect you to take responsibility for your actions. Wildcats KEEP IT CLEAN and TAKE PRIDE. Our school is a place for learning, so please do your part by picking up after yourself and taking care of the building. More than anything, Wildcats take pride in who they are and what they do. Remember—it's great to be a Fruita Monument Wildcat.

Let's make this a great year, Wildcats.
