Fingerprint instructions for Virginia

1. Go to Fieldprint's Virginia scheduling site

You must schedule your fingerprinting at a LiveScan (electronic) location through Fieldprint. Visit <https://fieldprintvirginia.com> to book your appointment.

2. Use the special service code in

When creating your Fieldprint account and scheduling your appointment, use the code FPVABOIProducer to ensure your fingerprints are correctly routed to the Bureau of Insurance.

3. Appointment Details

- Appointments are typically 10 minutes long and available at many locations across Virginia (approximately 46–93 sites).

- You must bring your appointment confirmation and two forms of valid ID, including a government-issued photo ID like a driver's license or passport.

4. Timing & Validity

- Fingerprint results are valid for 90 days from the date of capture—you must submit your license application within that window.

- You can skip fingerprinting if you have already submitted fingerprints within the last 12 months and are currently licensed.

5. Cost

- The fingerprinting fee is approximately \$34.95.
