From Mr. Logan...

Dear Families and Guardians,

Spring is here, and along with the blossoms and new growth, we know that this season can be challenging for students who are energized and looking forward to summer. Please know that our intention is to keep teaching through the last week of school, and to maintain the strong routines and procedures that make CMS a predictable and safe place to learn and grow. Thanks for your support in seeing that students continue to learn and exhibit strong habits of a scholar every day.

Michael Logan

CMS Principal

(970) 384-5701 • mlogan@rfschools.com • <http://cms.rfsd.k12.co.us/>

From Ms. Porter, Dean of Culture...

Our 7th grade students should be very proud of applying for our WEB Leader program! As mentioned last week, WEB stands for Where Everybody Belongs and is a student leadership program here at CMS. We had our first meeting with our new 7th grade WEB Leaders this week. We played a get to know you game, talked about important upcoming events and dates, and wrote thank you notes to all of the teachers that supported these students with the teacher recommendation process. Keep your eyes out for these students helping with some of our spring events and then as 8th graders during our back to school orientation and congratulate them for taking on this role!

Finally, I am still looking to fill a few more Fridays with teacher treats in MAY, so please reach out to me if you would like to volunteer for this. It really feels special when we have treats ready for teachers every Friday. Thank you!

Sara H. Porter

Connect with CMS

- ☐ Parents, if you are able, our CMS Parent Volunteer Group is looking for donations for this year's **8th Grade Continuation**.

Funds will help with things like decorations, programs, and DJ for the ceremony and party.

<https://gofund.me/0edc8538>

- ☐ Check out the wonderful creativity inspired by Ms.Nilsson's Math lesson. These were made by 5/6th and 7/8th graders!

☐ Math Olympiad News:

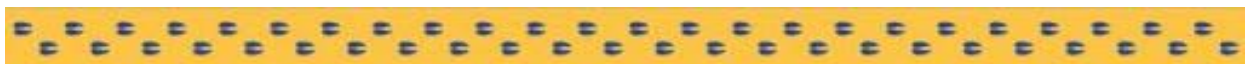

PINK SHEETS are out now - NEW due date May 2

The **green team** earned a lot of points for turning in their Math Olympiad sheets.

If you are on a team that needs some points, work on those sheets!

There were lots of Math Olympiad turned in and the Golden Ruler goes BACK TO....

6TH GRADE!

☐ Color Games Points Update

Green inched closer to Blue last week with a strong showing with both the Puzzler and the Math Olympiad! 5 weeks left until our final Color Games Event of Field Day - keep earning points with next week's watermelon themed math Puzzler!

Community Partnerships

- ☐ The Hazelden Betty Ford Foundation, in partnership with the Aspen Hope Center, is hosting a **free, 3-day Substance Use Prevention Group for children 1st through 8th grade and their caregivers on April 25-27** at Basalt Middle School.

Children from families with a past or present substance use face unique challenges—and too often, they feel alone in their experiences. This evidence-based program creates a safe, supportive space where children can learn about substance use, addiction, and recovery in a kid-friendly way.

Registration is required. See the [attached informational flyer](#) for more details.

- ☐ April 30... Save the Date

- ☐ **Enrichment Opportunities...** click flier for information

Some organizations welcome joining students at any time, even after they've started if space allows.
