Manuscript ID	[Leave blank for initial submission or enter the OJS ID]
Word count	[Main text excluding abstract, tables, figures, and references]
Tables and figures	[Number of tables] tables; [number of figures] figures

Authors and Affiliations

[Author One]¹, [Author Two]², [Author Three]^{1*}

¹ [Department or Study Program], [Faculty or Unit], [Institution], [City], [Country]

² [Department or Study Program], [Faculty or Unit], [Institution], [City], [Country]

Role	Full name	Affiliation	ORCID	Email
Author 1	[Full name]	[Affiliation number]	[ORCID URL]	[Email]
Author 2	[Full name]	[Affiliation number]	[ORCID URL]	[Email]
Author 3	[Full name]	[Affiliation number]	[ORCID URL]	[Email]

Corresponding Author

Full name	[Corresponding author name]
Institutional address	[Department, institution, postal address, city, postal code, country]
Official email	[Institutional email address]
Telephone	[Country code and number, for editorial communication only]
ORCID	[https://orcid.org/0000-0000-0000-0000]

Author Contributions

Use the CRediT taxonomy and identify author initials for each applicable role. Every listed author must meet the journal authorship criteria and approve the final manuscript.

CRediT role	Initials	CRediT role	Initials
Conceptualisation	[Initials]	Methodology	[Initials]
Software	[Initials / N/A]	Validation	[Initials]
Formal analysis	[Initials]	Investigation	[Initials]
Resources	[Initials]	Data curation	[Initials]
Writing, original draft	[Initials]	Writing, review and editing	[Initials]
Visualisation	[Initials]	Supervision	[Initials]
Project administration	[Initials]	Funding acquisition	[Initials / N/A]

Declarations

Declaration	Required statement	Declaration	Required statement
Ethics approval	[Committee, approval number/date, or why approval was not required.]	Informed consent	[How consent was obtained, when applicable.]
Consent for publication	[Permission for identifiable material, when applicable.]	Data availability	[Repository/identifier, access conditions, or justified restriction.]
Competing interests	[Declare interests or state that none exist.]	Funding	[Funder/grant number or no specific funding.]
Acknowledgements	[Non-author contributions or support.]	Generative AI disclosure	[Tool/version/purpose or state that none was used.]

Author Confirmation

☐ All authors meet the authorship criteria and approved the submitted version.	☐ The manuscript is original and is not under consideration elsewhere.
☐ The main manuscript is fully anonymised, including file metadata.	☐ All competing interests and funding sources have been disclosed.
☐ All required ethical approvals, permissions, and consents were obtained.	☐ The corresponding author is authorised to act for all authors.
