Hereby acknowledge that I have received the dataset as requested from Sleman HDSS in the format of STATA (.dta), CSV, XLS, or _____ (please specify other formats as needed)** via the Sleman HDSS data portal.

I declare that I will use Sleman HDSS data in accordance with the Sleman HDSS Data Access Terms October 2025 Version. I confirm that I have read and fully understood the Sleman HDSS Micro Data Access Terms October 2025 Version, and I agree to the following:

1. The data shall be used solely for the purposes explicitly approved during the application process and as set out in the approved Data Use Plan. Any use beyond this scope requires a new application.
2. Use for commercial purposes is prohibited pursuant to Point E.2. A use shall be deemed commercial if it is intended to, or results in, economic benefit, revenue, material cost savings, enhancement of market position, or exclusive rights.

3. I shall not distribute or grant access to the data to any party outside the approved team. This prohibition includes dissemination of derivative datasets and outputs that could enable reconstruction of the original data structure, in accordance with Point C.13, J.2, J.3 and J.4. Internal team copies are permitted solely for work purposes and must comply with the security requirements in Article J.
4. I shall not attempt to identify or re-identify Sleman HDSS respondents, whether directly or indirectly, in accordance with Point E.6.
5. Compliance with research ethics requirements follows the policies of the respective institution, as provided in Point K.2. The HDSS terms remain applicable regardless of the ethics approval status.
6. Every publication must include the prescribed acknowledgment pursuant to Sleman HDSS Data Access Terms Point I.2, using the required wording:
 - 6.1. “This paper uses data from the Sleman HDSS (Health and Demographic Surveillance System) wave _____^{***}, version _____^{***}. See Dewi, F. S. T. et al. (2018) for methodological details. The Sleman HDSS data collection was largely funded by the Faculty of Medicine, Public Health, and Nursing, Gadjah Mada University, Yogyakarta, Indonesia.”
 - 6.2. Cite the HDSS Sleman design article:

7. I will report each output utilizing Sleman HDSS data to Sleman HDSS no later than _____^{****} after release by sending the citation or link to hdssjogja.fkkmk@ugm.ac.id, in accordance with Point I.1.
8. Breach of this declaration may result in revocation of access and an obligation to delete all copies of the data and submit a deletion certificate, as well as other actions as set out in Point N Enforcement and Sanctions.

I understand that this declaration operates together with the Sleman HDSS data application process, institutional policies, and applicable laws and regulations. I agree to this declaration voluntarily, knowingly, and without any form of coercion.
