

## **Fighting Irish Fighting Hunger**

**April 1-30, 2022**

### **Basic volunteer duties**

- Communication within your department/building
  - You are the voice of the drive in your department/building
  - Emails to get the word out to your people (copies can be found [here](#))
  - Let them know about the drive and how to make donations
    - Online at [fightinghunger.nd.edu](http://fightinghunger.nd.edu)
    - By check (see [donation protocol](#))
  - Let them know we prefer not to collect food, just monetary donations
  - If your department strongly wants to donate food, request a bin from [Anne Kolaczyk](#) or [Whitney Young](#) and monitor it. The recycling team will place the box and periodically empty it.
  - Sample communications and templates are available at [fightinghunger.nd.edu](http://fightinghunger.nd.edu) under the resources link

### **Fundraising ideas**

Due to COVID-19, we don't know how many fundraising events will be held this year. If you wish to host some type of event, please make sure you abide by any University COVID-19 guidelines that might be in place.

The type of event you host is up to you. In the past, departments have had bake sales, pizza lunches, chili cook-offs, book sales, raffles of donated items, jeans days and much more.
