**Answer the following questions in complete sentences:**

1. Evaluate the types of tactics. Which one or two was the most effective and why? Use evidence from your research on the Civil Rights Movement organizations to support your answer.

2. After researching the issues targeted by the organizations, what work remains unfinished? Choose at least one remaining issue, and propose a solution to the problem(s). Be specific. ***(If you want to explore a modern civil rights issue in this question, you're welcome to do so.)***
