School Volunteer Information and Policy

MSAD 6 welcomes parents and community members to volunteer in schools. Strong schools are developed with strong community involvement. In order to ensure the safety of our students MSAD 6 has a policy in place to outline volunteer requirements. The policy is not intended to restrict or reduce school volunteers. We have tried to make sure the implementation of this policy has minimal impact on our volunteers. The policy does reflect the changing climate of our society and the need to ensure our students are well protected.

If there are questions, please feel free to speak to your building principal or call the Superintendent's Office. The students and staff at our schools appreciate all that you do for our schools!

All MSAD 6 policies are posted on the district's website and can be downloaded. For your convenience, I have posted quick links below for this policy, administrative procedure and registration form.

The new policy is entitled:

- IJOC - School Volunteers
- IJOC-R - School Volunteers Administrative Procedures
- IJOC-E - School Volunteer Registration Form

To complete the School Volunteer Registration Form, click on the link above, download the form to your desktop, and then type directly on the form. Drop the completed form off to the principal's secretary.
