The Common Expense Assessment shall be prorated among the Lots in accordance with that Lot's Common Expense Liability as set forth in Paragraph 1.3. The omission or failure of the Board of Directors to levy the Common Expense Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay. Special Assessments shall be levied in accordance with Paragraph 5.4. Fines and Individual Assessments may be levied at any time as required. Both of these Assessments are exempt from any voting requirements by the Members required for other Assessments provided for under this Declaration. No Owner may waive or otherwise avoid liability for the Common Expense Assessment provided for herein by the non-use of the Common Areas or the abandonment of his or her Lot.

5.8 Due Date. Fines and Individual Assessments shall be due and payable as established by the Board of Directors. The Common Expense Assessment shall be levied on an annual basis and shall be due and payable in installments, in advance, in such frequency as the Board of Directors determines in its discretion from time to time, provided that the first Common Expense Assessment shall be adjusted to reflect the time remaining in the Association's first fiscal year. Any Owner purchasing a Lot between annual due dates shall pay a prorated share of Common Expense Assessments. Special Assessments shall be due and payable as established by the Board and may be payable on an installment basis as determined by the Board. Written notice of all assessments shall be sent to each Owner subject thereto specifying the type of Assessment,

the amount, and the date the Assessment is due.

5.9 Remedies for Nonpayment of Assessments. If any Assessment (to include Costs of Enforcement) is not fully paid within fifteen (15) days after the same becomes due and payable, then:

- (a) Interest shall accrue from the due date until the date of payment, at the default rate set by the Rules and Regulations of the Association or established by the Board of Directors from time to time on any amount of the Assessment that is unpaid.
- (b) The Board may accelerate and declare immediately due and payable all unpaid installments of the Assessment otherwise due in the fiscal year during which the default occurred.
- (c) The Board may bring as action at law in any court of competent jurisdiction against any

Owner personally obligated to pay the same and obtain a judgment for the amounts due.

(d) The Board may proceed to foreclose its lien against the Lot subject to the Assessment pursuant to the power of sale granted to the Association by this Declaration in the manner and form provided by Colorado law for foreclosure of real estate mortgages. An action at law or in equity by the Association against an Owner to recover a judgment for unpaid Assessments may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessment.

5.10 The Assessment Lien. The Association is hereby granted an Assessment Lien against each Lot for any Assessment levied by the Board of Directors and for Cost of Enforcement levied against such Lot for any sums not paid as required by this Declaration. All Costs of Enforcement incurred pursuant to this Declaration are enforceable as Assessments. If an Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment thereof becomes due. The Association's lien on a Lot for Assessments shall be superior to all other liens and encumbrances except the following:

(a) Real property ad valorem taxes and special assessment liens duly imposed by the Colorado governmental or political subdivision or special taxing district, or any other lien-made superior by statute; and (b) The lien of any first Mortgagee except to the extent the Act grants priority for Assessments to the Association. Recording of the Declaration constitutes record notice and perfection of the lien. No further recording of any claim of lien for Assessments under this Article or otherwise is required. However, the Board of Directors may prepare, and record in the county in which the Lot is located, a written notice setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot, and a description of the Lot. If notice of the lien is filed, the cost thereof shall be considered a Cost of Enforcement. Sale or transfer of any Lot shall not affect the lien for Assessments, except that sale or transfer of any Lot pursuant to foreclosure of any First Mortgagee, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture, shall only extinguish the Assessment Lien if and to the extent provided by Colorado law. No such sale, deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Owner from continuing liability for any Assessment thereafter becoming due, nor from the lien thereof. Any First Mortgagee who acquires title to a Lot by virtue of foreclosing a first mortgage or by virtue of a deed in lieu of foreclosure will take the Lot free of any claims for unpaid Assessments and Cost of Enforcement against that Lot which have

accrued prior to the time such First Mortgagee acquires title to the Lot to the extent provided by Colorado law, but subject to any lien priority for Assessments granted under the Act. In any action by the Association to collect Assessments and Cost of Enforcement or to foreclose a lien for unpaid Assessments, the court may appoint a receiver to collect all sums alleged to be due from the Owner prior to or during the pending of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pending of the action to the extent of the Association's Common Expense Assessments and Cost of Enforcement. The Assessment Lien hereby given shall also be a lien upon all of the rents and profits of the

encumbered Lot, but this Lien and the rights of the Association shall be expressly subordinate to the rights of any First Mortgagee of a Lot under any assignment of rents given in connection with a first deed of trust. Without prejudice to any other right or remedy, the Association may exercise its lien rights to rents and profits by delivering a notice of exercise of such right to the occupant or any payer of rents and profits, and thereafter shall be entitled to collect all such rents and profits to the extent of any delinquency. The Association's lien on a Lot for Assessments and Costs of Enforcement shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed to a Lot subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against this Assessment Lien.

5.11 Surplus Funds. Any surplus funds of the Association remaining after payment of or making provisions for Common Expense and any prepayment of or making provisions for reserves shall be retained by the Association as unallocated reserves and need not be credited to the Owners in proportion to their Common Expense Liability to reduce their future Common Expense Assessments or in any other manner.

5.12 Working Capital Fund. At the closing of the initial sale of a Lot to an Owner other than the Declarant, a non-refundable contribution shall be made by the Owner to the working capital fund of the Association in an amount determined by the Declarant prior to the first closing of a Lot to an Owner other than the Declarant. This contribution shall be collected and transferred to the Association at the time of closing of the sale of each Lot and shall, until used be maintained in a segregated account with other working capital funds for the use and benefit of the Association, including, without limitation, to meet unforeseen expenditures or to purchase additional equipment, property or services. This contribution to the working capital fund shall not relieve an Owner from paying regular Assessments as the same become due. Upon the transfer of a Lot, the Owner shall be entitled to a credit from his or her transferee (but not from the Association) for one half of the aforesaid contribution to working capital fund.

5.13 Certificate of Status of Assessments. The Association shall furnish to an Owner and the Owner's First Mortgagee upon written request delivered personally or by certified mail, first class postage prepaid, return receipt requested, to the Association's registered agent, a Statement setting forth the amount of unpaid Assessments currently levied against the Owner's Lot. The statement shall be furnished within twenty (20) business days after receipt of the request and is binding upon the Association, the Board of Directors, and every Owner. If no

statement is furnished to an Owner or First Mortgagee who submitted a written request in accordance with the foregoing provisions, then the Association shall not have the right to assert a priority lien upon the Lot for unpaid Assessments which were due as of the date of the request.

5.14 No Offset. All Assessments shall be payable in the amounts specified in the levy

thereof, and no offsets or reduction thereof shall be permitted for any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration. The Declarant is exempt from the requirements of this Paragraph 5.14.

ARTICLE SIX: ARCHITECTUAL APPROVAL/DESIGN REVIEW

6.1 Approval of Improvements Required. Each Improvement must be constructed in accordance with the "Design Guidelines of Rinn Valley Ranch Homeowners Association," if these Guidelines have been promulgated at the time of construction, and this Declaration, and approved in accordance with such Guidelines and this Article. The approval by the Design Review Committee shall be required prior to the commencement of the construction of Improvements on any portion of The Planned Community, except as prior approval may be waived or certain Improvements may be exempted under written guidelines or rules promulgated by the Committee. Purchase of a Lot does not grant any implied guarantee of approval by the Committee of the Improvements to be located thereof. The Board of Directors shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decision of the Committee.

6.2 Membership of the Committee. The Committee shall consist of three members, all of whom shall be appointed by the Declarant. The Declarant shall have the continuing right to appoint and reappoint the members of the Committee, which right shall terminate at the option of the Declarant, but in any event shall terminate without further act or deed in accordance with the limitations set forth in Paragraph 9.3. Thereafter, the Board of Directors shall have the right to appoint the members of the Committee. Members of the Committee may but shall not necessarily be Members of the Association. Members of the Committee appointed by Declarant may be removed at any time by Declarant and shall serve until resignation or removal by Declarant. Prior to commencement of work to accomplish any proposed Improvement, or any modification to any Improvement, the Person ("Applicant") proposing to make the Improvement or modification shall submit to the Committee, at its offices, such descriptions, surveys, plot plans, drainage plans, elevation

drawings, construction plans, specifications, and samples of materials and colors as the Committee shall reasonably request, showing the nature, kind, shape, height, width, color,

materials, location of the proposed Improvement or modification thereof. The Committee may, in its guidelines or rules, provide for the payment of a reasonable fee to accompany each request for approval of any proposed Improvement or modification. The Committee may provide that the amount of the fee shall be uniform for similar types of Improvements or that the fee shall be determined in any other reasonable manner, such as basing the fee on the estimated cost of the proposed Improvement or modification. The Committee may require submission of additional plans, specifications or other information prior to approving or disapproving the Improvement. Until receipt by the Committee of all required materials in connection with the Improvement, the Committee may postpone review of any materials submitted for approval by a particular Applicant. No Improvement of any kind shall be erected, altered, placed, modified, or maintained within The Planned Community unless and until the final plans, elevations, and specifications thereof have received written approval by the Committee as herein provided.

6.5 Waiver. The approval or consent of the Committee, to any application for architectural approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the Committee as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required.

6.6 Criteria for Approval. The Committee shall have the right to disapprove any proposed Improvement or modification thereof, which is not in accordance with the Design Guidelines of Rinn Valley Ranch Homeowners Association (if these Guidelines have been promulgated at the time of construction) and this Declaration, or is not suitable or desirable in the Committee's opinion for aesthetic or other reasons. In passing upon the Improvement or modification the Committee shall have the right to take into consideration the suitability of the proposed Improvement or modification and of the materials of which it is to be built, the color scheme, the site upon which it is proposed to erect the same, the harmony thereof with the surroundings, the topography of the land and the effect of the Improvement or modification as planned on the outlook from the adjacent or neighboring property, and if it is in accordance with all of the provisions of this Declaration. The Committee may disapprove the proposed Improvement or modification if the plans and specifications submitted are incomplete, or in the event the Committee deems the materials submitted are contrary to the spirit or intent of the Declaration. The Committee may condition its approval upon the making of such changes thereon as the Committee may deem appropriate.

6.7 Decision of the Committee. The decision of the Committee shall be made within thirty days after receipt by the Committee of all materials required by the Committee unless such time period is extended by mutual agreement. The decision shall be in writing and, if the decision is not to approve a proposed Improvement or modification, the reasons therefore shall be stated. The decision of the Committee shall be promptly transmitted to the Applicant at the address furnished by the Applicant to the Committee. Submittals shall be approved by an affirmative vote of a majority of the members of the Committee.

6.8 Failure of Committee to Act on Plans. Any request for approval of a proposed Improvement or modification shall be deemed approved, unless disapproval or a request for additional information or materials is transmitted to the Applicant by the Committee within thirty days after the date of receipt by the Committee of all necessary materials as determined by the Committee.

6.9 Prosecution of Work After Approval. After approval, the proposed Improvement or modification shall be accomplished as promptly and diligently as possible and in complete conformity with the description of the proposed Improvement or modification, any materials submitted to the Committee in connection therewith, and any conditions imposed by the Committee. Failure to complete any proposed Improvement or modification within eight months from the date the foundation was dug or other material work begun in accordance with the description and materials furnished to, and the conditions imposed by, the Committee, shall constitute a violation of this Article.

6.10 Notice of Completion. Upon completion of the Improvement or modification, the Applicant shall give written notice of completion to the Committee. Until the date of receipt of a notice of completion, the Committee shall not be deemed to have notice of completion.

6.11 Inspection of Work. The Committee or its duly authorized representatives shall have the right to inspect any Improvement prior to or after completion.

6.12 Notice of Noncompliance. If, as a result of inspections or otherwise, the Committee finds that any Improvement or modification thereto has been done without obtaining the approval of the Committee, or was not done in substantial compliance with the description and materials furnished to, and any conditions imposed by, the Committee, or was not completed within eight months from the date the foundation was dug or other material work begun, the Committee shall notify the Applicant in writing of the noncompliance; which notice shall be given within thirty days after the Committee has inspected the Improvement. The notice shall specify the particulars of the noncompliance and shall require the Applicant to take such action as may be necessary to remedy the noncompliance.

6.13 Failure of Committee to Act After Completion. If, for any reason other than the Applicant's act or neglect, the Committee fails to notify the Applicant of any noncompliance within thirty days after receipt by the Committee of written notice of completion from the Applicant, the Improvement or modification thereto shall be deemed to be in compliance if the Improvement or modification thereto was, in fact, completed as of the date of notice of completion.

6.14 Correction of Noncompliance. If the Committee determines that a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than thirty days from the date of receipt by the Applicant of notice from the Committee. If the Applicant

does not comply within such period, the Committee shall notify the Board of Directors and the

Board may, at its option, record a "Notice of Noncompliance" against the Lot on which the noncompliance exists, or may remove the noncomplying Improvement or may otherwise remedy the noncompliance. The Board may levy an Individual Assessment in accordance with Paragraph 5.6 against the Owner of such Lot for costs and expenses incurred. The right of the Board of Directors to remedy or remove any noncompliance shall be in addition to all other rights and remedies which the Board may have at law, in equity, or under this Declaration.

6.15 Meetings of the Committee. The Committee shall meet from time to time as necessary to perform its duties hereunder.

6.16 No Implied Waiver or Estoppel. No action or failure to act by the Committee or by the Board of Directors shall constitute a waiver or estoppel with respect to future action by the Committee or the Board of Directors. Specifically, the approval by the Committee of any Improvement or modification thereto shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar Improvement or modification or similar proposals, plans, specifications or other materials submitted with respect to any other Improvement.

6.17 Estoppel Certificates. The Board of Directors shall, upon the reasonable request of any interested party and after confirming any necessary facts with the Committee, furnish a certificate with respect to the approval or disapproval or any Improvement or with respect to whether any Improvement was made in compliance herewith. Any person, without actual notice to the contrary, shall be entitled to rely on this certificate with respect to all matters set forth therein.

6.18 Record of Actions. The committee shall report in writing to the Board of Directors all final actions of the Committee and the Board shall keep a permanent record of such actions.

6.19 Architectural Standards/Design Guidelines. The Committee may promulgate rules and regulations to interpret and implement the provisions of this Article. These rules and regulations shall contain, among other things, guidelines that will clarify the types of designs and materials that will be considered in design approval. The applicant shall be responsible to apply for all permits and approvals required by the County.

6.20 No Liability for Committee Action. There shall be no liability imposed on the Design Review Committee or any member of this Committee, any authorized representative of this Committee, the Association, any member of the Board of Directors or Declarant for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Committee, if such party acted in good faith and without malice. In reviewing any matter, the Committee shall not be responsible for passing on safety, whether structural or otherwise, or

conformance with building codes or other governmental laws or regulations, nor shall its approval of an Improvement be deemed approval of such matters.

ARTICLE SEVEN; LAND USE AND OTHER RESTRICTION

All Lots and Common Areas shall be held, used and enjoyed subject to the following limitations and restrictions, but also subject to the exemptions for Declarant as set forth in this Declaration. The Board of Directors shall have the right and authority to determine in its sole discretion that dogs, cats or other household pets are being kept for commercial purposes or are being kept in such numbers or in such manner as to

be unreasonable or to create a nuisance, or that an Owner is otherwise in violation of the provisions of this Paragraph. The Board of Directors shall make the determination of "reasonable numbers" based upon the potential for noise, dust, odors and other nuisance, as well as the right of quiet enjoyment by all Members of the Association. The Board of Directors shall take such action or actions, as it deems reasonably necessary to correct the violation to include after Notice and a Hearing, directing permanent removal of the pet or pets from The Planned Community. 10.2 Property Insurance. The Board of Directors shall obtain and maintain property insurance, insuring the insurable Improvements on the Common Areas for broad form covered causes of loss and on all personal property owned by the Association. The insurance will be for an amount (after application or any deductions of depreciation) equal to one hundred percent of full insurable replacement cost of the insurable Improvements located on the Common Areas exclusive of land, foundations, excavations and other items normally excluded from property insurance policies. The Board of Directors is authorized to obtain appraisals periodically for the purpose of establishing replacement cost of such property, and the cost of such appraisals shall be a Common Expense. Insurance policies required herein shall provide that:

(a) The insurer waives the right to subrogation under the policy against an Owner or member of the household of an Owner.

(b) An act or omission by an Owner, unless acting within the scope of the Owner's authority on behalf of the Association, will not void the policy or be a condition of recovery under the policy.

(c) If, at the time of a loss under the policy, there is other insurance in the name of an Owner that covers the same risk covered by the policy, the Association's policy provides primary insurance.

(d) Losses must be adjusted with the Board of Directors.

(e) Insurance proceeds shall be paid to the Board of Directors.

10.3 Liability Insurance. Commercial general liability insurance, as set forth in 38-33.3-313(b) of the Act, will be maintained in an amount determined by the Board of Directors, but in no event shall it be less than \$1,000,000. Reasonable amounts of "umbrella" liability insurance in excess of the primary limits may also be obtained. This insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage

arising out of or in connection with the use, ownership or maintenance of the Common Areas and any other real property which the Association has an obligation to maintain, repair and/or reconstruct and the activities of the Association; and may also include, if applicable, comprehensive automobile liability insurance garage keeper's liability, liability for property of others, host liquor liability, water damage liability, contractual liability, workers compensation insurance for employees of the Association, and other risks as shall customarily be required by private institutional mortgage investors with respect to projects similar in construction, location, and use. Insurance policies carried pursuant to this Paragraph shall provide that:

(a) Each Owner is an insured person under the policy with respect to liability arising out of the Owner's interest in the Common Areas and any other real property which the Association has an obligation to maintain, repair and/or reconstruct or membership in the Association;

(b) The insurer waives the right to subrogation under the policy against an Owner or member of the household of an Owner;

(c) An act of omission by an Owner, unless acting within the scope of the Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy;

(d) If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the policy of the Association provides primary insurance.

10.4 Fidelity Bonds. The Association shall obtain and maintain, to the extent reasonably available fidelity bond insurance coverage for any Owner or Association employee who either handles or is responsible for funds held or administered by the Association. The bond or insurance shall name the Association as obligee, and shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression. In no event shall the bond or coverage be for an amount less than the sum of three months' assessments plus reserve funds, as calculated from the current budget of the Association. The bond or coverage shall include a provision requiring not less than ten days' written notice to the Association, before the bond can be canceled or substantially modified for any reason. The Association must also require any independent contractor who manages the Association to obtain and maintain fidelity bond insurance coverage in the same amount, to the extent that it is reasonably available, unless they are covered under the Association's fidelity bond insurance coverage.

10.5 Owner Policies. An insurance policy issued to the Association does not preclude Owners from obtaining insurance for their own benefit.

10.6 Workers Compensation Insurance. The Board of Directors shall obtain and maintain workers compensation insurance if required to meet the requirements of the laws of the State of Colorado.

10.7 Directors' and Officers' Liability Insurance. The Board of Directors shall obtain and maintain directors' and officers' liability insurance, if reasonably available, covering all of the directors and officers of the Association. This insurance will have limits determined by the

Board of Directors.

10.8 Ditch Company Insurance. The Board of Directors shall obtain and maintain comprehensive general liability insurance in an amount not less than \$2,000,000.00 as required under the Agreements referred to in Section 4.13, covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use and maintenance of the lateral ditches located within The Planed Community and operated by the Godding Ditch Company, the Rural Ditch Company, and the Boulder and Weld County Ditch Company. These Ditch companies shall be named as co-insureds in all such insurance policies.

10.9 Other Insurance. The Association may carry other insurance, which the Board of Directors considers appropriate to protect the Association.

10.10 Premiums. Insurance premiums for insurance maintained by the Association shall be a Common Expense.

10.11 Procedures. The Board of Directors may adopt written nondiscriminatory policies and procedures for claims adjustment and responsibility for deductibles. To the extent the Board of Directors settles claims for damages to real property, it shall have the authority to assess negligent owners causing loss or benefitting from repair or restoration all deductibles paid by the Association. If more than one Lot or Dwelling Unit is damaged by a loss, the Board of Directors, in its reasonable discretion, may assess each Owner a pro rata share or any deductible paid by the Association.

10.12 General Provisions. All Association insurance shall be carried in blanket policy form naming the Association as insured and attorney-in-fact for the Association. The policies shall contain:

(a) A standard non-contributory First Mortgagee's clause in favor of each First Mortgagee, and shall provide that it cannot be canceled or materially altered by either the insured or the insurance company until thirty days' prior written notice is given to the insured and each First Mortgagee.

(b) Waiver of any defense based on invalidity arising from any acts or negligence of an Owner where such Owner is not under the control of the Association.

10.13 Insurance Proceeds. Any loss covered by the property insurance policy described in Paragraph 10.2 shall be adjusted by the Board of Directors and the insurance proceeds for that loss shall be payable to the Association, and not to any First Mortgagee. The Board of Directors shall hold any insurance proceeds in trust for the Association, Owners, and lien holders as their interests may appear. The proceeds must be disbursed first for the repair or restoration of the damaged property, and the Owners, the Association, and lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or reconstructed. If proceeds are distributed, the distribution shall

be as the parties in interests determine or pursuant to the Act.

10.14 Damage to Property. Any portion of the Common Areas for which insurance is required under 38.33.3-313 of the Act or for which insurance carried by the Association is in effect, that is damaged or destroyed, shall be repaired or reconstructed by the Association in accordance with 38-33.3-313(9) of the Act.

10.15 Certificate of Insurance. An insurer that has issued an insurance policy for the insurance described in this Article shall issue certificates of insurance to the Association and, upon request, to any Owner or First Mortgagee. The insurer issuing the policy may not cancel or refuse to renew it until thirty days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Owner and First Mortgagee, at their last known address.

10.16 Condemnation. If an entire Lot is acquired by condemnation or if a part of a Lot is acquired by condemnation leaving the Owner with a partial Lot, which may not practically or lawfully be used for any purpose permitted by the Declarant, the award must include compensation to the Owner for that Lot and its Dwelling Unit. If parts of the Common Areas are acquired by condemnation, that portion of any award attributable to the Common Areas taken must be paid to the Association.

ARTICLE ELEVEN: MAINTENANCE, REPAIR, AND RECONSTRUCTION

11.1 Maintenance of the Common Areas. The Association shall provide for the repair, maintenance and/or reconstruction of the Common Areas. Without limiting the generality of the foregoing and by way of illustration, the Association shall keep the Common Areas safe, attractive, clean, functional and in good repair and may make necessary or desirable alterations or improvements thereon. In the event repair, maintenance and/or reconstruction results from the willful neglect or destruction by an Owner or Owner's Guest, the Board of Directors shall have the right, after Notice and Hearing, to repair, maintain and/or reconstruct the Common Areas. The cost of maintenance, repair and/or reconstruction shall be chargeable to such Owner by an Individual Assessment in accordance with Paragraph 5.6. Determination with respect to whether or not a particular activity or occurrence shall constitute a violation of this Paragraph shall be made by the Board of Directors and shall be final.

11.2 Failure to Maintain. Each Owner shall be responsible for the maintenance, repair and reconstruction of the exterior of the Owner's Dwelling Unit and the Owner's Lot. In the event any Owner shall fail to maintain the exterior of the Owner's Dwelling Unit or Lot in a manner satisfactory to the Board of Directors, the Board of Directors shall have the right and duty, after Notice and Hearing, to enter upon the Lot and repair, maintain and/or reconstruct the Owner's Dwelling Unit and the Lot. However, Notice and Hearing shall not be required in the case of an emergency that is creating a danger to the Common Areas contrary to the intent and meaning of the provisions of this Declaration. If the Association undertakes action without

Notice and Hearing, the action undertaken shall be the minimum necessary to eliminate the emergency. The cost of such maintenance, repair and/or reconstruction shall be chargeable to the Owner by an Individual Assessment in accordance with Paragraph 5.6.

11.3 Maintenance of Drainage Pattern. There shall be no interference with the established drainage pattern initially established by the Declarant over any portion of The Planned Community, except as approved in writing by the Design Review Committee.

ARTICLE TWELVE: FIRST MORTGAGEE PROVISIONS

12.1 Benefit of Provision. The provisions of this Article are for the benefit of holders, insurers, or guarantors of holders of first mortgages recorded against Lots within The Planned Community who qualify as a Eligible Mortgagee as defined in Paragraph 1.22.

12.2 Notice of Action. Each Eligible Mortgagee shall be entitled to written notice of:

- (a) Any material condemnation loss or casualty loss which affects a material portion of The Planned Community or any Lot encumbered by a first mortgage held, insured, or guaranteed by an Eligible Mortgagee;
- (b) Any delinquency in the payment of the Common Expense Assessment owed by an Owner whose Lot encumbered by a first mortgage held, insured, or guaranteed by an Eligible Mortgagee, if this delinquency remains uncured for sixty days;
- (c) Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; and
- (d) Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

12.3 Amendment to Documents/Special Approvals.

- (a) Except as to amendments effected by the exercise of any Development Rights and Special Declarant Rights or as otherwise permitted under the Act, the consent of Owners to which at least sixty-seven percent (67%) of the votes in the Association are allocated shall be required to add to or amend any material provisions of this Declaration. However, the approval of at least fifty-one percent (51%) of the Eligible Mortgagees (which percentage is measured by votes allocated to Dwelling Units), shall also be required if the amendment adds or deletes any material provision pertaining to the following (unless the amendment is solely for the purpose of correcting technical errors or for clarification only).
 - (i) Voting rights;
 - (ii) Assessments, Assessment Liens, or the priority of the Assessment Lien;
 - (iii) Reserves for maintenance, repair and replacement of the Common Areas;
 - (iv) Responsibility for maintenance and repair of any portion of the Common Areas;
 - (v) Right to use the Common Areas;
 - (vi) Convertibility of Lots into Common Areas or Common Areas into Lots;
 - (vii) Subject to the provisions of Article Nine, expansion or contraction of The Planned Community or the addition, annexation or withdrawal of property to or from The

Planned Community;

- (viii) Insurance or fidelity bonds;
- (ix) Leasing of Dwelling Units;
- (x) Imposition of any restrictions on an Owner's right to sell or transfer his or her Lot or Dwelling Unit;
- (xi) A decision by the Association to establish self-management of the Association, when professional management had previously been required by an Eligible Mortgagee;
- (xii) Any provisions which are for the express benefit of First Mortgagees;
- (xiii) Reconstruct or repair of The Planned Community after damage due to an insurable hazard or a partial condemnation in a manner other than specified in the Project Documents;
- (xiv) Merger of The Planned Community with any other planned community; and
- (xv) A determination not repair or reconstruct in the event of substantial destruction of any part of a Lot or the Common Areas.

12.4 Special FHMC Provisions. The following requirements apply in addition to and not in lieu of the foregoing, unless at least sixty-seven percent of the Eligible Mortgagees (which percentage is measured by votes allocated to Dwelling Units) or Owners (other than Declarant) have given their prior written approval, the Association is not entitled to take any of the following actions:

- (a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer any property owned directly or indirectly, by the Association (excluding the granting of permits, licenses and easements for public utilities, roads or other purposes reasonably necessary or useful for the proper maintenance or operation of the property or the Association);
- (b) Change the method of determining the obligations, assessments, dues or other charges, which may be levied against an Owner;
- (c) Partition or subdivide any Lot;
- (d) By act or omission seek to abandon or terminate The Planned Community; and
- (e) Use hazard insurance proceeds for property losses in the Common Areas for purpose other than repair, replacement or reconstruction of this property.

12.5 Implied Approval. Implied approval by an Eligible Mortgagee shall be assumed when an Eligible Mortgagee fails to submit a response to any written proposal for an amendment within thirty days after the Eligible Mortgagee receives notice of the proposal, provided this notice was sent by certified or registered mail with return receipt requested.

12.6 Payment of Charges. First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may have become a charge against the Common Areas and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of any Association policy, and First Mortgagees making such payments shall be entitled to immediate reimbursement from the Association. Entitlement to such reimbursement is to be reflected in an agreement duly executed by the Association.

12.7 Payment and Records. Owners and their First Mortgagees shall have the right to

examine the books and records of the Association at the office of the Association in accordance with the procedure set forth in the Association's Bylaws or as otherwise determined by the Board of Directors.

ARTICLE THIRTEEN: DURATON, AMENDMENT AND TERMINATION OF THE DECLARATION.

13.1 Duration. The covenants, restrictions and obligations of this Declaration shall run with and bind the land in perpetuity until this Declaration is terminated in accordance with Paragraph 13.7.

13.2 Amendments by Owners. Except as expressly permitted or restricted elsewhere in this Declaration, the Declaration may be amended by the written agreement of Owners to which at least sixty-seven percent (67) of the votes in the Association are allocated. Any such amendment shall be effective upon the recording of the amendment together with a notarized certificate of the Secretary of the Association certifying that the requisite number of Owners and Eligible Mortgagees, if required, have given their written consent to the amendment. The Secretary shall further certify that originals of the written consents by Owners and Eligible Mortgagees, as applicable, along with the recorded amendment, are in the records of the Association and available for inspection. Each amendment to the Declaration must be recorded in accordance with the Act. Where a Lot is owned by more than one person, the execution of an amendment shall be valid if executed by any one Owner. Signatures need not be notarized. Amendments can be executed in counterparts, provided that the recorded document shall also contain a certification of the Secretary of the Association that all counterparts, as executed, are part of the document. No action shall be commenced or maintained to challenge the validity of any aspect of any amendment of the Declaration, Articles, or Bylaws unless it is commenced within one year from the effective date of the amendment, unless fraud or willful negligence is asserted and proven. Section 4.13 and Section 10.8 of the Declaration shall not be amended without the prior written consent of the Rural Ditch Company, the Boulder and Weld County Ditch Company, and the Godding Ditch Company.

13.3 Amendments by Declarant. Declarant reserves the right to amend, without the consent of Owners or Eligible Mortgagees, this Declaration, the Articles of Incorporation or Bylaws, anytime within the limitations set forth in Paragraph 9.3, as follows:

- (a) To make nonmaterial changes, such as the correction of a technical, clerical, grammatical or typographical error or clarification of a statement.
- (b) To comply with any requirements of any of the Agencies or to induce any of the agencies to make, purchase, sell, insure or guarantee First Mortgages.
- (c) To comply with any requirements of the Act.

13.4 Consent of Declarant Required. Notwithstanding any other provision in this Declaration to the contrary, any proposed amendment of any provision of this Declaration shall not be effective unless Declarant has given its written consent to the amendment, which consent

shall be evidenced by the execution by Declarant of any certificate of Amendment. The foregoing requirement for consent of Declarant to any amendment shall terminate at the option of the Declarant by its written notice to the Secretary of the Association, but in any event, shall terminate without further act or deed in accordance with the limitations set forth in Paragraph 9.3.

13.5 Expenses. All expenses associated with preparing and recording an amendment shall be allocated in accordance with the Act.

ARTICLE FOURTEEN: GENERAL PROVISIONS

14.1 Right of Action.
