Putnam County CUSD 535
2021 All Sports Meeting

When: Tuesday, August 10th

Time: 6:00 pm

Where: Putnam County High School Auditorium

PC Athletics encourages all athletes and a parent/guardian to attend this informational meeting. Athletic Director Chris Newsome will provide a short presentation regarding the ins and outs of interscholastic athletics, our requirements, the latest state mandate regarding masking in schools and its impact on athletics, spectator policy, and what safety protocols we will be using to start the year. This meeting will be followed by individual team meetings with the fall coaches. Fall coaches will briefly meet with their players and parent(s)/guardian(s) to discuss team rules and expectations.
We are planning to have our normal sports seasons and teams this year. We will continue to adapt as things change, I appreciate your ongoing flexibility. Due to recent masking mandates from Governor Pritzker's Office as well as changes from the CDC, IDPH, and ISBE, all visitors, staff, and students must wear masks when inside the building. We thank you in advance for your cooperation and look forward to seeing you on Tuesday, August 10 at 6:00pm.
