Treasurers Report

Luis Martinez- We made more than \$10,000 in Tiger Trot. Final tally to be forthcoming.

Still working on having PayPal reissue \$5,600 check which arrived/expired during Covid Lockdown.

Principal's Report-

Tiger Trot was a success and having parents on campus was a success- so we will allow parents to be on campus again for Arts for Learning dance performances. Date/times to be announced soon.

Let's double check with upper grade teachers before locking in Hip Hop classes for next year- there were some issues with some of the kids' participation.

Emily Rose-Weber will reach out to upper grade teachers.

No new info re: back to school events for next year at this time.

Current Business

Arts/Enrichment Next Year-

Motion to spend money to have all of the students participate again next year- motion passes. With caveat Emily Rose-Weber will reach out to upper grade teachers first.

End of Year Picnic-

Emily Rose-Weber proposes end of year picnic. Use the grass rotunda area off of School Street. Provide music, a few decorations and invite families to bring their favorite Friday night take out dinner and have a picnic.

All in favor of this idea. Principal Pina indicates that we can access the restrooms for this event.

Summer-

We will have an informal meeting this summer at someone's house to prepare/plan for next school year.

Conclusion

Meeting Concludes 6:54 p.m.
