

## Flipped Class Assignment

For this assignment, you will need to create the contents for a flipped classroom that consist of....

- Screen Capture,
  - directions for students
- Edpuzzle
  - Create engaging video lesson(s)
- Slideshow
  - Can use Magic Slide AI
- Assessment
  - Can use GPT Google Form

For this assignment, you will create 1 lesson. Each lesson will have the above items; Edpuzzle, Slideshow, and Assessment. Once you are finished, please create a webpage called Flipped Class and you will embed your EdPuzzle, Slideshow and Assessment on this page.
