10/6/2021	Socorro High School	1
10/11/2021	Socorro High School	4
	Total Since School Began	50

III. English Language Arts Adoption (K-8)

Update: Our middle school committee has selected 2 publishers to present their programs: My Perspectives (Savvas) and Amplify ELA (Amplify). Savvas presented last Tuesday and Amplify is presenting October 20th. Our elementary committee scored the three publishers we ordered samples from, but really liked the middle school Amplify curriculum. We ordered Amplify samples and once they arrive, the elementary team will decide on their top publishers they would like to have present.

IV. Shots for Shoes

The Socorro County Department of Health partnered with Western Sky Community Care and SCSD to put on the Shots for Shoes event last week at the high school and middle school. Students were offered the opportunity to get vaccinated at school, with parent/guardian permission. When they got their first shot last week, they filled out a form about their shoe preference. When the students get their second shot in November, they will receive the shoes they requested. There were two students who participated from the high school and one from the middle school.

V. Flu Shots

The Department of Health will be administering flu shots at school to any students whose parents/guardians request it and complete a consent form. Forms will be available November 1st, and the flu shots will be given on November 9th or 16th (waiting for confirmation).

VI. Nusenda Donation

Last week, Nusenda donated 400 duffle bags with hygiene and comfort items for ages 0 – adult inside. Frances Fuller let the Warrior Wellness Coalition know so they can hand out, as needed.

VII. NM Tech Performing Arts Series Youth Concerts & National Dance Institute (NDI)

Last week our students began attending the performances at Macey Center. There are a variety of performances scheduled for this year, including El Guayabo/The Guava Tree, Catpult (Shadow Dance), Creole4Kidz, Mariachi Christmas, Jungle Book, and many others. The performances extend through April of next year.

National Dance Institute (NDI) will start up in early November for our students. It will be a combination of virtual and in-person sessions. Performance week will consist of streaming live performances and recorded performances.

VIII. Parent-Teacher Conferences this Friday

This Friday, October 22nd, will be our first parent-teacher conference of the year. It is a regular work day for all staff.
