BACKPACK BUDDIES

HOW THE PROGRAM WORKS

Backpack Buddies is a non-profit organization that provides a little extra food on the weekend for students in Coweta County. Backpack Buddies supplies students with nutritious, self-serve food that will sustain them when school meals are not available. Four times a year, when students are out for longer school breaks, Backpack Buddies sends home a larger bag of food to help them during that extended break from school.

The Backpack Buddies program is essential to help relieve hunger, which in turn will improve grades, health, school attendance and self-esteem in these children. If you are interested in signing your student up for the Backpack Buddies program, fill out the attached form and sign giving Backpack Buddies permission to send food home every Friday with your student.
