

Please read this first

1. You have **until January 15** to select a date to volunteer at an underserved clinic site in the Spring 2019 for IPPE hours. After that time, the schedule will be opened to other students interested in volunteering for service hours.
2. Please **only sign your name in a blue highlighted space** - the number of spaces listed are the maximum number of students, please do not add additional spots.
3. Only choose dates that you are able to commit to - the clinic is relying on your help for it day. If you need to change dates, please find a classmate to switch with. **You are not permitted to remove your name from a date without finding another student to switch to your date.**
4. Please **add a phone number AND email address** after your name. If clinic is cancelled, this is how the clinic staff would get a hold of you. We try not to cancel, but sometimes emergencies happen.
5. Please **add your year** after your name.
6. Obviously, you cannot replace someone else's name with your own unless you have already agreed to a switch.
7. If the date says "P3 with permission", please email Dr. Connor before selecting that date.
8. Email Ms. Schmotzer (annas@pitt.edu) specific concerns.

M-Z Spring Term (P3 & P2)
