Hello, my name is [_____]. I am a constituent of [Inset legislators name] calling about the human rights and humanitarian situation in the Oromia region of Ethiopia.

In early April, the Ethiopian federal and Oromia regional government announced the launch of a military campaign aimed at eliminating the OLA from Oromia. I've also heard that Amhara regional security forces and other regions have joined in this campaign.

I'm deeply concerned that this military action will lead to the loss of lives and other abuses being perpetrated against Oromo civilians who have no connections to the OLA. Past military actions inside Oromia have shown that, instead of defeating the OLA, security forces have abused Oromo civilians.

I know the US government has called for a peaceful resolution to the conflicts in Ethiopia, and believe that the decision to launch a military operation inside Oromia shows that the Ethiopian government is unwilling to work towards lasting peace.

I, therefore, respectfully urge you to condemn this military campaign and call for the Ethiopian government to seek peaceful means to address conflicts inside Oromia, as it is doing with the TPLF in northern Ethiopia.

This issue is very important to me, and I thank you for your consideration.
