Challenges:				

The instructional methods and activities presented in this plan and employed throughout the year assist in the fulfillment of the goals and outcomes listed. The methods and activities create a positive learning experience in a safe & respectful environment while addressing the specific abilities, learning styles, interests, and needs of the child. These activities and methods will be effective by providing information that will assist us in understanding the level of engagement, comprehension, accomplishment, and competency the child has obtained relative to the Schedule of Learning Outcomes for Students Receiving Home Education Programs That Do Not Follow the Alberta Programs of Study.
