

Bob Proctor - Your Mission In Commission

The bold answer to every question about money, worth and commission.

Can you remember a time when you were completely terrified?

Perhaps something was keeping you up at night, sinking your stomach or constantly weighing on your mind ...

If you've ever started a position paid solely on commission, you likely know exactly the feeling I'm talking about.

Well, having your income directly tied to your results – being commissioned – is either exhilarating or terrifying ... and that all depends on your current level of thinking.

Now, I LOVE being paid based on my results – but in the beginning, before I tweaked my thinking, I too found myself anxious and nervous over all the possible 'what ifs'.

You see, as someone who is paid based on results – you can make a fortune or nothing at all. And it's all a matter of choice, NOT circumstance. What's your choice?

Imagine if you:

headerimgb

Never had to worry about IF you were going to earn enough money to pay your bills or support your family.

Were excited for the opportunity rather than terrified of the unknown.

Had the money and freedom to do what you wanted, when you wanted.

Chose the level of income you wanted to be at – and then made it happen.

Took the vacation you've been dreaming of.

Bought the car you've been looking at.

Had no financial concern ...

Get Rich Quick, Wealth Building Programs and Other Things That Don't Work

It can be tempting to turn your head at every get rich quick opportunity, network marketing company, wealth building program and how to article on the internet – but

these things don't work if you don't have the mindset necessary to choose, build and maintain wealth in your life.

Many of these things actually serve as a distraction from what really needs to be done.

While changing your mindset so you can forever earn any amount of money you desire doesn't seem like 'opportunity' – it's one of the greatest tools you can ever add to your toolbox.

If you want to earn more money, look no further – you're in the right place.

To millions of people across the globe, the name Bob Proctor is synonymous with success.

As a speaker, author, consultant, coach, and mentor, Bob Proctor works with business entities and individuals around the world, instilling within them not only the mental foundations of success and the motivation to achieve, but also the actionable strategies that will empower them to grow, improve, and thrive in today's ever-changing world. Through the Proctor Gallagher Institute, Bob, Sandy Gallagher, and their team teach the principles, strategies and fundamentals that help people and organizations create the results they want in life.

Your Mission In Commission

If you're ready to earn a 6- or 7- figure income each and every year, then you're ready for this fast-track program, Mission in Commission!

As a commissioned salesperson, or someone who gets paid based on results ... you have one of the best seats in the house – you can actually choose to earn any level of income you desire! And, once you've made that choice, there is little concern about maintaining that same level of income (or higher) for as many years into the future as you choose.

The key to this program lies in the foundational concept that money is your servant, not the other way around.

The successful execution of the various exercises and mind-expanding principles of Universal Law we'll be teaching in this program will help you put money in the place it belongs.

You will find yourself finally and forever stepping across the line that separates so many struggling salespeople from those who win big – month after month and year after year.

The six basic concepts you MUST understand before you will ever earn large commissions.

How to get your Mind working in harmony with your goals to raise your commissions in days, not months.

The one fundamental step you must develop to earn \$100,000+ while still enjoying your work.

How to let go of the past and start with a clean slate that allows you to choose exactly how much you will earn.

How to develop a “Magnificent Obsession” that will make your work fun and your commissions soar.

The proven plan for earning six-figure commissions each and every year.
