

Privacy Policy for English Phrase Book

Last Updated: July 2026

English Phrase Book ("the App") is committed to protecting your privacy. This Privacy Policy explains how the App handles information when you use our application.

Information We Collect

The App does **not collect, store, transmit, or share any personal information** from users.

Specifically, the App does not collect:

- Name
- Email address
- Phone number
- Location data
- Contacts
- Photos or media files
- Device identifiers
- Payment information

How the App Works

English Phrase Book provides English phrases, Indonesian translations, and pronunciation through the text-to-speech functionality available on the user's device.

The App retrieves phrase content from online sources to display educational content but does not collect personal information from users.

Third-Party Services

The App may rely on services provided by:

- Google Play Store
- Android Text-to-Speech services

These services may operate under their own privacy policies.

Children's Privacy

The App does not knowingly collect personal information from children or any other users.

Data Security

Since the App does not collect or store user data, there is no personal information retained by the App.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any updates will be posted on this page with a revised "Last Updated" date.
