Ikdu ZaSara

PRIVACY POLICY

Welcome to Ikdu ZaSara. We at Ikdu ZaSara struggle insistently to develop IT solutions which are qualitative and effective. We hold our proficiency and expertise in the areas of Mobile applications.

Our Privacy Policy explains how we and some of the companies we work with collect, use, share and protect information in relation to our mobile services. Our Policy applies to all visitors, users.

GENERAL

Your privacy is important to us. We respect your privacy and recognize the need to protect the personally identifiable information (any information by which you can be identified, such as name, and telephone number) you share with us. We value our customers and are committed to protecting your privacy. We do not sell information about you to others. We would like to assure you that we follow appropriate standards when it comes to protecting your privacy on our web sites. In general, you can download our App without telling us who you are or revealing any personal information about yourself. We track the Internet address of the domains from which people visit us and analyse this data for trends and statistics, but the individual user remains anonymous.

COLLECTION OF PERSONAL INFORMATION

When you use application, we collect some personal information to allow us to provide you the service, fulfil your requirement and provide you the customer support. This information may include your device information. Our application in any case does not collect personal or sensitive information of users. Thus the user should not worry about it. Our application is committed to optimum levels of protection used internally to protect the information handled by them under any circumstance.

CHILDREN’S PRIVACY

You must be at least 13 years old to use our applications. We do not knowingly collect, use or disclose personal information about users under 13 years of age. If you are under 13 years of age, you can use the services offered on our applications only in conjunction with your parents or guardian.

SECURITY

We will take appropriate steps to protect the information you share with us. We have implemented technology and security features and strict policy guidelines to safeguard the privacy of your personally identifiable information from unauthorized access and improper use or disclosure. Our app will continue to enhance our security procedures as new technology becomes available. All security on our application is treated seriously. Where applicable, we undertake security steps, including use of encryption technology and other security technologies.

POLICY CHANGES

If our privacy policy changes in the future, it will be posted here and a new effective date will be shown. You should access our privacy policy regularly to ensure you understand our current policies. Please reference the privacy policy in your subject line. Please Read privacy policy and terms and conditions carefully.
