

CPHS Community Scholarship

CPHS Community Scholarship Application

Opens February 1 - Closes February 28, 2025

What is a CPHS Community Scholarship?

Community Scholarships are scholarships ranging from \$500 - \$1500 and are sponsored by local businesses, rotary clubs, Lions clubs, principals, office staff, para's, or community members themselves. They are also sponsored by families as a memorial to a former student, alumni groups or athletic booster clubs – to name a few. Community Scholarships are separate from the school-specific scholarships that CPHS awards. Such as – faculty scholarships, CDAA scholarships, LEO scholarships, CPHS departmental scholarships, etc. Some students will receive multiple awards. However, students will only receive ONE Community Scholarship. We continually look to expand the number of scholarships we offer by contacting local businesses and groups. If you have a business that would like to sponsor a scholarship, please contact us at cphscomscholarshipcommittee@gmail.com

APPLICANTS MUST BE:

- Seniors in good standing with the REBEL model
- GPA must be 3.0 or above
