

## ***“Nuclear Fallout”***

(OWA intro plays.)

(A video package recapping the events of Odyssey X overtakes the screen. The opening bout is revisited first, Amora Ferris is unable to re-enter the ring in time, leaving the spunky and spirited Kiara Roberson to pin Eris for the victory -- with General Manager Viola DeMarco looking on from backstage, as promised. Next, rivals Natasha Night and Rochelle met in their first official in-ring clash, which ended in Rochelle outlasting Night to emerge victorious. Following this, Azumi Goto put her mantle of Queen of the Ring on the line against Diantha Moreau. Despite Moreau's teammate Roni De Vil running interference, Azumi was able to neutralize both of them and end the night still able to call herself the Queen of the Ring. Next, Dulce Torres walked into her first Goddesses Championship defense against Natalie Cage. The match was a highly-competitive back-and-forth affair that could've been anyone's game. However, toward the end of the contest, perceived “technical issues” with the lights distracted Natalie considerably, and Dulce capitalized on this to win. Afterward, Cage's former stablemates Moreau and De Vil emerged, savagely attacking her before security finally made their way toward the ring. In the night's main event, familiar foes TyAnna Jupiter and Sweet Roxy collided with the Women's World Championship on the line. The championship bout was business as usual until the supposedly-reformed Roxy revealed that her change in personality was all a ruse, and solidified this deception by bringing out new allies Aphrodite Marie and the debuting DiVa to attempt to help her capture the title. This plan was foiled when a returning Savannah Sunshine burst onto the scene, cleaning house and clearing the runway for TyAnna to dispatch of Roxy and remain Women's World Champion. The final shot of the video is TyAnna standing on the second turnbuckle of one of the corners, holding the title overhead triumphantly as streamers are thrown at her by adoring members of the audience before the shot fades to black.)

(The shot fades in on Aragon Ballroom, where “The Champion” -- Carrie Underwood & Ludacris is blaring over the PA system of the Aragon Ballroom and accompanying pink and silver pyro dazzles the capacity crowd. As the display finishes up, the crowd is cheering even louder now. The camera sweeps over the sold-out crowd, and a hot pink graphic reading “LIVE! CHICAGO, IL” appears in the top right corner of the screen. After a few moments, the camera goes to focus on Gia Cervantes and Ashley Walker, who are seated at the commentary table up on the stage.)

Gia Cervantes: Odyssey X has come and gone, but not without leaving some insane fallout in its wake! Events from that incredible show have left our roster shaken from top to bottom, and it's not hard to imagine why. Insane championship bouts, surprise debuts, even more surprising returns, triumph, heartbreak, wild beatdowns, and everything in between! I don't know how we crammed it all into one episode! As always, I'm your obviously very excited Mistress of the Mic, Gia Cervantes...

Ashley Walker: ...and I'm Ashley Walker! For all of you who celebrate, the Odyssey team hopes you and your loved ones had a happy and safe Thanksgiving! Here's to hoping you're

well-rested and ready for the night ahead! I don't think anyone will have a busier night than Viola DeMarco. The boss lady has A LOT of events from Odyssey X to address, and she's gonna be spending a lot of time trying to deal with any concerns that various Goddesses may have.

Gia Cervantes: We'll also be getting our first official look at the newest unit on Odyssey in the form of The Dollhouse. What brought Sweet Roxy, Aphrodite Marie, and DiVa together? What devious plans do they have for the future? With any luck, all those questions and more will be answered when those three have the floor later tonight.

Ashley Walker: To piggyback off of that, Dollhouse charge DiVa will be making her OWA in-ring debut tonight when she goes one-on-one with another stable rep -- Diantha Moreau of Wolvesden! Diantha came up short in her bid to become Queen of the Ring last week, so you know she's got some frustrations to take out. Just the same, I'm sure DiVa will do whatever it takes to make sure she starts her career here off on the right foot. Which lady will prevail?

Gia Cervantes: In one of the more shocking developments to come out of Odyssey X, Savannah Sunshine made her return during the main event to help TyAnna Jupiter overcome the numbers advantage that The Dollhouse had over her! What brought Double S back onto the scene at this point in time, and aside from it being the right thing to do, what made her come to TyAnna's aid? The Women's World Champion is looking to find out tonight!

Ashley Walker: And in our main event, Savannah jumps right back into the deep end of the pool by tangling with Sweet Roxy! The Heiress is looking to get a measure of revenge after Operation Dollhouse didn't go off without a hitch like she'd planned. Will Savannah drive home the point that cheaters never prosper, or will Roxy get back on the winning path? We'll have to wait to find out! Strap in, ladies and gentlemen. It's gonna be an...interesting night.

(A/N -- so because I unfortunately have a nagging headache, this is the space where I'll put the sparknotes, so to speak, of the opening segment to let y'all know what's going on before I actually insert it in here. Cool? Okay. For her win last week, Viola has decided that Kiara Roberson will be the next number one contender for the Goddesses Championship. Dulce Torres came out to tell her she was looking forward to their eventual match, but was interrupted by Natalie Cage, who said in no uncertain terms that she was looking past the Goddesses Championship at this point. Her only focus is getting revenge on Diantha Moreau and Roni De Vil, and...might have possibly threatened their lives? So Viola sent her home for the night to cool off. Natalie wasn't keen on going at first, but Viola assured her she wouldn't have a job to come back to if she didn't. Also impressed by Rochelle's victory over the now-absent Natasha Night, Viola declared that the newcomer had earned herself a future Queen of the Ring match. Viola also made it very clear that she was far from pleased that Sweet Roxy had lied about being reformed, and had also brought The Dollhouse into the fold, but she could take solace in the fact that TyAnna Jupiter was still Women's World Champion. She warned the women of The Dollhouse to tread lightly and refrain from making waves any more, as she wasn't an enemy they wanted to have.)

(COMMERCIAL BREAK -- Black Friday and Cyber Monday deals aren't quite over yet! Take advantage of big savings and get a jump start on your holiday shopping by heading over to [shopomega.com!](http://shopomega.com!))

(The camera cuts back to the Aragon Ballroom as the lights transition to a bright pink)

Gia Cervantes: What's this?...

(After several moments, "Playtime" by contRoVersy plays all throughout the arena)

Ashley Walker: I got a feeling I know who this is... We saw their debut just last week at Odyssey X!

(The crowd erupts with a symphony of boos as Sweet Roxy, DiVa, and Aphrodite Marie collectively make their way out to the stage, all dressed in matching pink and black attire and all wearing their own individual "Doll" mask as they continue towards the ring)

Gia Cervantes: Terrifying masks aside... These three women have already made themselves publicly well-known to not just Odyssey, but all of the Omega Wrestling Alliance. There's definitely something unsettling about them and you can't help but wonder what exactly their agenda is.

Ashley Walker: Hard to say, but you know they'd love to be coming out here with the Women's World Championship in their possession, and thanks to the help of a returning Savannah Sunshine, that never came to be.

(The Dollhouse pose together in the ring; slowly removing their masks as the lights return to normal)

Gia Cervantes: Yeah, but I got a funny feeling that was only the beginning...

("Playtime" fades out as The Dollhouse demands and are handed microphones while the crowd continues to jeer)

Ashley Walker: Well the Chicago crowd is certainly making their displeasure over these three well known!

(An upset-looking Roxy glares at the booing crowd in attendance for several seconds)

Gia Cervantes: Well if looks could kill, we'd have a massacre on our hands, that's for sure.

(In an instant, Roxy's cold and angry demeanor shifts into a happy smile as she cocks her head

to the side, looking around the Aragon Ballroom while DiVa poses and Aphrodite mocks the crowd)

Roxy: .... Cheaters.... Never.... Prosper! That's what mother always said. I have to thank mother for giving me so much useful advice that really helped mold me into the Legend that I am today, because without her, I wouldn't be here. I don't know where I'd be, but it certainly wouldn't be here. Maybe I'd be busting my ass in a cesspool promotion that's somehow even worse than this one. Maybe I'd be working at Starbucks or a drug store like some of you. Maybe I'd be selling actual drugs or my body like MOST of you.

(The crowd's booing grows even louder as Roxy grins and playfully twirls around her microphone)

Roxy: Relax, relax... You people are getting me off track, because like I said, cheaters never prosper, and last week you witnessed the epitome of a cheater... When I stood across the ring from her! When I valiantly put my body on the line for the sake of you people in order to rightfully take back the Women's World Championship that I elevated to such insurmountable heights that this organization felt the ONLY thing they could do to make up for all of my hard work in making that trinket the most prestigious Championship in this industry... Was to usher in a new era, with a new brand specifically made for the women of this company.

(Roxy lazily backs up and rests on the middle rope while shaking her head)

Roxy: And honestly, I should be applauded, because anyone else in my position... They would complain. They would whine. They would bitch and bitch and bitch some more until they get what they rightfully deserve after being the centerpiece of such a huge revolution. Not me though. Not Sweet Roxy. After pouring my sweat... MY blood... MY TEARS.... Into making this division something you people can be proud of... I was admonished. I was berated. I was scolded. I was told that everything I had done to secure my place as your rightful Champion and bring prestige to that Title was wrong and that I should be punished for it. Our esteemed General Manager marched me out to the ring solely for the purpose of humiliating me in front of the entire World, as if my contributions to this company and this BRAND meant less than nothing! I expected a parade! I expected a celebration from this brand for my hard work, and instead what I got was nothing but spit in my face and a kick to the curb!

(Roxy's expression becomes more cold again as she walks away from the ropes, picking up her doll mask and looking at it while she continues)

Roxy: And while Roxy was tossed aside like she was nothing... Our beloved TyAnna Jupiter... Was raised to new heights. She was paraded around as the HERO. She was praised by everyone and considered the savior of women's wrestling. And right now, she is the undisputed crowned jewel of this brand... Cheaters never prosper. And TyAnna Jupiter, and everyone associated with her, are cheaters. Cheaters who conspired against me and women like me

because we never fit their definition of what a female competitor SHOULD be. They used my looks and my pedigree against me, and at MY expense, TyAnna Jupiter took everything for herself. And they ENSURED she not only stood on top, but stayed on top. Just like we witnessed last week when I was moments from taking back my spot by force and we were assaulted by Savannah with a deadly weapon. And personally...

(Roxy pretends to be sad)

Roxy: Personally, I am so upset that you people don't understand that you're cheering on the wrong people. TyAnna Jupiter isn't the hero. Savannah Sunshine isn't a hero. WE are. WE are the real women's revolution. That's why we're here. That's why I had to take matters into my own hands and recruit two of the most talented women in the entire WORLD that knew my pain. That understood where I was coming from. Two women who have been given the shit end of the stick just like I have simply because of how we look and how we act and who we are! I was set up for failure since the moment I stepped inside an Odyssey ring, and I get it... Oh yeah, I get it. You didn't want me. You NEVER wanted Sweet Roxy. I wasn't supposed to be Women's World Champion at all, and that didn't fit in with your little plans. I was never supposed to happen, and yet here I am. I'm the wrench in your machine... And as you can tell, I'm not alone.

(The Dollhouse comes together with each grinning)

Roxy: This is what real women's wrestling is. This is the true revolution. I don't fit your image? That's fine. I'll rebuild all of this into my own image. And I'll do it while I tear down yours, bit by bit. Inch by inch. Until there's nothing but The Dollhouse. You can crown TyAnna and Dulce and Azumi the Champions of the wreckage of your precious Odyssey, because there's going to be nothing left when we're through here. It's not something any General Manager can stop. It's not something TyAnna or Savannah can stop either. It's already begun, and it continues tonight when we make examples out of Diantha and Savannah. And it won't stop, because THIS.... THIS is the World you live in now. MY World. What's going on right now isn't YOUR new Era, scrap....

(Sweet Roxy gets down on the canvas in a nonchalant playful pose with a wicked grin across her face - DiVa and Aphrodite standing behind)

Roxy: ..... It's playtime.

("Playtime" by contRoVersy picks back up as a menacing Sweet Roxy gets back up, discussing something with the rest of The Dollhouse before they remain in the ring, striking their signature pose and basking in the boos of the crowd.)

Gia Cervantes: Certainly some powerful words from an estranged Sweet Roxy tonight, and I think she made her intentions pretty clear....

Ashley Walker: From the sounds of it, The Dollhouse intends to mold Odyssey into their own vision... Or perhaps even just burn it all down!

Gia Cervantes: That won't be an easy feat by any means, but tonight they have a chance to show beyond a shadow of a doubt that they can back up those words after the mishap that occurred last week in the main event of Odyssey X.

Ashley Walker: Right now this Dollhouse looks like they have all the confidence in the World, and who knows what they could be hiding up their sleeve come tonight, but they've thrown the gauntlet down and Roxy has made her case. The Dollhouse has sent a shot heard round the World and we'll find out soon enough if it hits their intended target.

(COMMERCIAL BREAK -- relive every explosive moment of Odyssey X and every episode of Odyssey any time on the OWA Network!)

(As we fade back in from a commercial break, "Playtime" -- contRoVersy is still playing, and the members of The Dollhouse are still in the ring. DiVa looks focused and ready to go, looking out at the ramp intently as Sweet Roxy whispers something in her ear. On the other side of her, a smirking Aphrodite Marie provides words of encouragement.)

Rebecca Sawyer: The following contest is scheduled for ONE FALL!

Crowd: ...ONE FALL!

Rebecca Sawyer: IIIIIIIINTRODUCING FIRST! Already in the ring, making her Odyssey debut...representing The Dollhouse...from Los Angeles, California...weighing in at 120 pounds...THIS IS "AMERICA'S SWEETHEART"...DIIIIIIIIIIIVVVVVAAAAAAA!

Gia Cervantes: Welcome back to Odyssey, everyone! Back on Odyssey X, we all got our first look at the collective known as The Dollhouse. Just moments ago, Sweet Roxy laid out exactly the lengths that she, Aphrodite Marie, and DiVa plan to go in order to cement themselves as the most dominant force not just on Odyssey, but probably in all of women's wrestling!

Ashley Walker: What's scary is that it's too early to tell just how much they could potentially succeed in their quest. They definitely have all the tools to run roughshod over Odyssey, and once they fine-tune their act from Odyssey X, they could succeed! The debuting DiVa looks ready to get her in-ring tenure here in OWA off to a winning start, but she'll have her work cut out for her tonight!

("Switchblade" -- Yonosuke Kitamura hits, and the boos grow even louder in volume as an annoyed-looking Diantha Moreau stomps out onto the stage. A step or two behind her is Roni De Vil. Diantha stops at the top of the ramp and cracks her neck to either side, casting a focused glare on DiVa in the ring before making her way down the aisle with Roni.)

Rebecca Sawyer: AAAAAAAAAND HER OPPONENT! Representing Wolvesden...weighing in at 125 pounds...SHE IS "THEEEEEEE FORGOTTEN SENSHI"...DIANTHAAAAAAAAAA MOREAAAAAAAAAU!

Gia Cervantes: The Dollhouse likes to run interference, but nobody knows more about interfering in matches in OWA than Wolvesden! Though to be fair, it works out for them more often than not. When Diantha challenged for Queen of the Ring on Odyssey X, it looked like Roni was about to help her seal the deal, but it wasn't to be.

Ashley Walker: Check out the look on Diantha's face. She is NOT happy! She had every intention of leaving Odyssey X as Queen of the Ring, and it's fair to say she's got some anger to get out of her system tonight. DiVa very well may be in the wrong place at the wrong time!

Gia Cervantes: Speaking of bad places and worse times, it's looking like things are already about to break down! DiVa exits the ring and rolls out to the outside, joining Roxy and Aphrodite in meeting Diantha and Roni at the foot of the ramp! Amanda hasn't even had a chance to call for the bell yet! Roxy levels the oncoming Roni with a NASTY running forearm to the face, getting her on the ground so that Vendetta and Aphrodite can lay into the downed De Vil with some stomps in a heinous two-on-one beatdown! Meanwhile, Diantha is taking the woods to her opponent tonight! Moreau knots two hands in DiVa's blonde hair, reeling her in for a sick close-quarters knee lift right to the bridge of the nose! Diantha follows it up with another! And another! DiVa staggers away, one hand flying to cover the center of her face, but Moreau isn't letting her breathe! She doubles Corleone over with a knee to the gut before latching onto her hair again to fling DiVa back-first into the barricade!

Ashley Walker: The debutante might be out of commission for the time being! Diantha now turns her attention to trying to even the odds for Roni, running up behind Aphrodite and clocking her with a lariat to the back of the head! Miss Marie falls face-first onto the arena floor, and Roxy looks indignant! She turns to face The Forgotten Senshi, and now the two of them are exchanging forearm shots! These two are really taking it to each other, and somehow, Diantha has been holding her own throughout all of this!

Gia Cervantes: You might've spoken too soon, Ash! Diantha was focused on Roxy for too long, and this enabled Aphrodite to get her bearings back! She drills Roni with a stomp to the back of the head before De Vil can even THINK about getting back up, and then cuts Moreau down with a chop block to the back of the knee! Diantha is hobbled momentarily, dropping down to a knee! She's trying to force herself back up -- AT WHICH POINT ROXY MOWS HER DOWN WITH A WELL-PLACED TRAMP STAMP! SHIT!

Ashley Walker: Both Wolvesden charges are laid out! DiVa takes this as her invitation to get back into the ring, and she's motioning for Roxy and Aphrodite to essentially feed Diantha to her! That superkick rung her bell, and Miss Moreau very well could be in prime position for that!

Amanda Aspen is looking on in distress, but what is she supposed to do? The bell hasn't actually been rung yet, but of course, she's hesitant to call for it after what's happened! Roxy and Aphrodite drag Diantha over to the ring, and Roxy heaves her up onto the ring apron and rolls her under the bottom rope, pushing her into the ring. DiVa is all smiles as a reluctant Amanda finally calls for the opening bell!

(DING! DING! DING!)

Gia Cervantes: With that, DiVa scurries over to the nearest corner and scales the turnbuckles, climbing up onto the top rope! Roxy and Aphrodite look on approvingly as the debutante leaps -- AND SHE CALLS THAT THE SUPERSTAR FROG SPLASH! Corleone spun that phoenix splash into a frog splash upon impact, driving all the air out of Moreau and surely sealing the deal! DiVa confidently hooks both legs and Amanda drops down to count!

Amanda Aspen: ONEEEEEEEEEEEEEEE! TWOOOOOOOOOOOOO! THREEEEEEEEEEEEEEEE!

(DING! DING! DING!)

("Viva DiVa" hits to emphatic boos, but DiVa doesn't seem to mind. She smiles cordially at her "adoring" public as she gets up to her feet, where she promptly has her hand raised.)

Rebecca Sawyer: HEEEEEEEEERE IS YOUR WINNER...DIIIIIIIIIIIVVVVAAAAAAA!

Ashley Walker: Well...short as the actual official match might have been, DiVa is walking away with a win in her debut outing. I can't say I'm surprised by the way that the pre-match "festivities" went, though. Normally, nobody is able to compete with Wolvesden in terms of swarming opponents and exploiting a numbers advantage, but they met their match in The Dollhouse!

Gia Cervantes: If Roxy's words before the match didn't put people on notice, then I hope the display we just saw did the trick. These three aren't playing fair. They're bound to be a problem for many a Goddess, quote me on that.

(Roxy and Aphrodite enter the ring, applauding DiVa and lavishing her with praise. They shoo Amanda away, raising DiVa's hands triumphantly as the audience continues to boo and the shot fades elsewhere.)

(COMMERCIAL BREAK -- All caught up on Odyssey but falling a bit behind on other OWA programming? Fear not! Every episode of Kingdom and Olympus is up to date and waiting for you on the OWA Network! New subscribers get their first month free!)

(The broadcast fades back in from a commercial break, and the scene depicts Savannah Sunshine stretching and warming up for her upcoming main event bout. The sight of the recently-returned fan favorite causes cheers to kick up off-screen. Savannah appears to be

completely wrapped up in her thoughts, before she looks up and sees something out of frame. Her face lights up and she stops what she's doing.)

Savannah Sunshine: TyAnna!

(The camera pulls out a bit to show the Women's World Champion walking into frame, causing applause to kick up off-screen once more. TyAnna smiles, giving Savannah a hug before pulling back.)

TyAnna Jupiter: I hope I'm not interrupting anything. I know you've got that main event to get ready for.

Savannah Sunshine: You're fine, don't worry.

(She exhales a sharp breath.)

Savannah Sunshine: I'm back in the main event on my first night back. No pressure, right?

(Savannah chuckles, and TyAnna lays a supportive hand on her shoulder.)

TyAnna Jupiter: It's where you belong.

Savannah Sunshine: That means a lot coming from you.

(TyAnna smiles cordially, and pauses for a beat before responding.)

TyAnna Jupiter: Things have been kind of a whirlwind since last week. There was a lot for people to wrap their heads around, and we haven't had a chance to sit down and hash things out so that I could thank you for what you did. Tomazeya did what he could, and I can always count on him to do that, but the numbers advantage would've been too much to deal with sooner rather than later. I guess it was wrong of me to ever expect better from someone like Roxy, but I guess the two most important things to focus on are that the Women's World title is out of her hands and that you're back on the scene where you're supposed to be. You didn't have any reason to rush out there, and you did. I can't thank you enough.

Savannah Sunshine: You don't have to thank me. I'm not like Roxy or her friends, or anyone else who doesn't play by the rules. That's not how I do things. The Women's World Championship is special, you know? It means so much. It's the thing that every woman on this show eventually aspires to hold, and The Dollhouse was about to tarnish it just so that Roxy could get her way. I couldn't let that happen to the championship, and I couldn't let it happen to you. You didn't deserve that. I'm sure that put me in The Dollhouse's crosshairs, but that's okay. Dealing with blowback for doing the right thing is just par for the course, I guess.

TyAnna Jupiter: That's very noble of you, but I wouldn't expect anything less from the heart and soul of Odyssey. You know that a title match between the two of us is exactly what the world needs, right?

Savannah Sunshine: I think what I need more is to know that I earned it. I'd love to face you, TyAnna, but...I need to hit the ground running after returning first. I need to know without a shadow of a doubt that nobody deserves a title shot more than me, and if...no, WHEN I beat Roxy tonight, I'll know that I'm supposed to be fighting you for that title.

TyAnna Jupiter: And when that happens, I'll be waiting.

(With a smile, TyAnna gives Savannah a well-meaning shove of the shoulder before walking out of frame. This leaves Savannah all alone, who nods to herself approvingly and continues warming up. She's rolling her wrists and amping herself up as the shot fades to ringside.)

(DING! DING! DING!)

Rebecca Sawyer: The following contest is scheduled for ONE FALL! And is your MAIN EVENT of the evening!

('I Want Candy' by Aaron Carter plays to a huge cheer, as Savannah Sunshine comes out and greets the fans with a smile.)

Rebecca Sawyer: Introducing first, from Philadelphia, Pennsylvania, she is "The Princess of Candyland"...SAVANNAAAHHHH....SUUUNNNNSSSHIIIIINNNEEEEE!!!!

Ashley Walker: What a reception for the returning Savannah Sunshine here tonight! Last week, she came back to even the odds in the Odyssey X main event, and saw to it at the OWA Women's World Title match between TyAnna Jupiter and Sweet Roxy went down fair and square. Tonight, she finds herself in the main event and is taking on the woman who failed in capturing that championship!

Gia Cervantes: She's come back and instantly painted a target on her back! Roxy's got her own posse on Odyssey now and one way or another, she wants title gold. Savannah Sunshine is in her way and I do not envy "Candyland's Greatest Export" one bit.

('Chemical X' by contRoVersy plays to intense boos. Roxy arrogantly struts to the ring, but she has a look of disdain on her face for Savannah.)

Rebecca Sawyer: And her opponent, from Las Vegas, Nevada, "The Devil Spawn"...SWEEEEET...ROXXXYYYYY!!!!!!!!!!!!

Walker: Every bit as dangerous as she is devious, Roxy wants to bring pain to her opponent tonight. She thought she had the perfect plot to become OWA's first ever two-time champion, but it was not to be. Her plan was foiled by one of the most beloved women in all of professional wrestling and she is enraged!

Cervantes: Wouldn't you be? Roxy had the chance to become more than just a two-time champion, she had the chance to follow in the footsteps of her mother and become a WORLD CHAMPION! All that pent up anger is about to come out, and Sav's gonna be the unfortunate victim!

(DING! DING! DING!)

Walker: And they're wasting no time! Both women charge at one another with huge shots! Sav is pummeling Roxy in the ribs while Roxy is trying to cave her skull in with fists! Sav's pushing her opponent into the corner now and nails her with a brutal chop to the chest! Now she's digging her shoulder into those ribs over and over again! Savannah Sunshine being far more vicious than usual!

Cervantes: She has to be careful! She'll tire herself out! Look! She's slowing down and Roxy's taking advantage! She's got her in a headlock! Savannah throws Roxy into the ropes, she bounces off and ducks a clothesline attempt from Sunshine- oh and she drops down and hits a clean Pele kick! Sav looks loopy! Roxy follows up with a spike DDT! First cover of the match!

Elle Halen: ONNNNNNEEEEEEE!!!!!!!!!!!!!!

Walker: Savannah kicks out with urgency! She won't go down like that, not a chance! Now Roxy puts in that headlock again! She's looking to slow down the tenacious Savannah Sunshine, to dictate the pace of this match the way she sees fit. The crowd aren't liking it but I don't think Roxy cares!

Cervantes: They don't have to like it! She's wearing down her opponent! That's Savannah Sunshine, the inaugural Queen of the Ring! You can't take half measures!

Walker: I suppose you're right, but the OWA fans are willing Sav along, clapping in unison as she tries to work her way up to a vertical base and break free of this hold. She delivers a big elbow to Roxy's ribs! But Roxy responds with a knee to the head! Elbow to ribs! Knee to head! Elbow to ribs! Elbow to ribs! Savannah's trying to crack Roxy's ribcage! She's forced to relinquish the hold!

Cervantes: Roxy's clutching her midsection as Savannah bounces off the ropes...SPEAR! Roxy felt that! My God! I felt that! The wind just got knocked right outta her sails! Savannah's looking to the turnbuckles, what's she thinking? She's not one to go to the top very often!

Walker: Desperate times, I guess! What's she going for here- ELBOW DROP! SHE CONNECTS! AN OLD SCHOOL ELBOW DROP TO ROXY'S BLACK HEART! COVER!

Elle Halen: ONNNNNNNEEEEEEE!!!!!!!!!!!!!!!

TWWWWWWWWOOOOOOOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!

Cervantes: Roxy gets the shoulder up! She really needs to protect her body! Savannah's been working it over good! The deeper we get into this match, the more cardio is gonna come into play, that could be Roxy's undoing if she's having breathing difficulties! What's Savannah going for now? Is that, is that a Boston crab?

Walker: She's using some classic, wrestling 101 maneuvers tonight and I don't think Roxy was anticipating it AT ALL! She's crying out in pain as the crowd is demanding that she tap out! Roxy's in major trouble here, hey! Savannah just broke the hold, who's that at ringside?

Cervantes: It's Aphrodite Marie! Aphrodite Marie is at ringside and her presence caused Savannah to lose focus and release the hold!

Walker: Great, MORE Dollhouse interference? How is this fair?

Cervantes: She's not getting involved in the match, Ash! She's allowed to come out here in solidarity with her stablemate, give a girl a break!

Walker: I guess, but Savannah needs to turn around because Roxy's back up, TRAMP STAMP! SAV JUST ATE A MASSIVE JUMPING SUPERKICK! AND ROXY COVERS!

Elle Halen: ONNNNNNNEEEEEEE!!!!!!!!!!!!!!!

TWWWWWWWWOOOOOOOOOOOOO

THREEE-

Cervantes: Sunshine just about gets the shoulder up but it was almost all over there and then! She took her eye off the prize and it cost her! And Roxy's quickly getting her up while Aphrodite cheers her on at ringside, looks like she's trying to lock in The Jester Trap and choke Sav out, but Sunshine's blocking with desperation and she nails Roxy in the face with the back of her head! I think I saw a tooth fly out! God damn!

Walker: Roxy's lip appears to be busted but she just runs at Savannah and cleans her clock with a forearm! So much for Sav's rally, Roxy is stomping her with pure malice! Somebody stop her! She's snapped!

Cervantes: Stop her for what? She's not breaking any rules! Savannah needs to know better than to provoke somebody as vicious as Roxy! She didn't become a champion because of her kind demeanor, you know!

Walker: Roxy continues the stomps are the crowd a booing louder and louder! I can hardly hear myself! Oh and she's just laughing now, laughing at her handiwork and welcoming the boos! Roxy's a sick woman!

Cervantes: She's just doing what she deems necessary, she peels Savannah Sunshine off the mat now and hoists her up on her shoulders, could it be? IRON THRONE! Savannah Sunshine is SURELY done for now? Cover!

Elle Halen: ONNNNNNEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

TWWWWWWWWOOOOOOOOOOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

THRRRRRRRRRRREEEEEEEEEEEEEEEE-

Walker: No! There's still life left in Savannah Sunshine! She will not go down without the fight of her life! And Roxy is letting out her frustrations, banging the mat in anger! She's throwing a full-blown temper tantrum right now! It's a wrestling match, Roxy, focus on the wrestling!

Cervantes: For once, I agree with you partner, Roxy has to mobilize and take advantage while she still can! She's letting Savannah get to her feet as she exits the ring and stands on the apron, could she be looking for the Razzle Dazzle? She bounces off the ropes! She spins! OH MY GOD, A STARBURST! SAVANNAH SUNSHINE JUST KNOCKED ROXY RIGHT OUT OF THE AIR WITH A BICYCLE KICK! AND NOW SAVANNAH IS CLIMBING TO THE TOP ROPE! BUT SHE'S NOT AIMING FOR ROXY, APHRODITE MARIE MIGHT WANNA PAY ATTENTION! GERONIMOOOOOO!!!!!!!!!! APHRODITE MARIE IS TAKEN OUT OF COMMISSION!

Walker: The arena has come unglued! Savannah Sunshine stands up and lets out a battle cry! She's back and she means business! She heads back into the ring, Roxy looks darn near knocked out! She grabs Roxy, Northern Lights suplex! Is she gonna follow up?! GOODNIGHT MOON! THE AXE KICK! ROXY COLLAPSES INTO THE ROPES BUT SAVANNAH DOESN'T LET HER ROLL OUT! COVER!

Elle Halen: ONNNNNNNNEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

TWWWWWWWWOOOOOOOOOOOOOOOOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

THHHRRRRRRREEEEEEEEEEEEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Cervantes: HEY! NO WAY!

Walker: Roxy's foot is on the rope! But- I can't believe it! It's DiVa! The other member of the Dollhouse pulled Roxy's foot onto the rope! This match was over! What sort of a chance does Savannah Sunshine have when this is effectively a 3-on-1 match?!

Cervantes: She's just looking out for her meal ticket's best interests!

Walker: Oh spare me! Savannah Sunshine had victory in her grasp and it was ruined by DiVa! This is ridiculous! And Savannah realizes what just happened, she's staring a hole through DiVa! She's rolling to the outside and chasing her! She can't retaliate or Roxy will be disqualified! Savannah catches up and has DiVa by the hair, she throws her into a recovering Aphrodite Marie...SAVANNAH LOOK OUT!

Cervantes: SUICIDE DIVE FROM ROXY! SAVANNAH SUNSHINE HITS THE BARRICADE NECK FIRST! SAVANNAH SUNSHINE ONCE SPENT TWO YEARS ON THE SHELF WITH A NECK INJURY AND SHE'S CLUTCHING IT LIKE SHE JUST GOT HIT WITH A MORTAR ROUND!

Walker: Roxy is wasting no time! She rolls Savannah back into the ring, Sav's trying to get up...FELINA! CURB STOMP TO THAT BAD NECK! THAT WAS HEINOUS! COVER!

Elle Halen: ONNNNNNNNNNEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Cervantes: It's over!

Elle Halen: TWWWWWWOOOOOOOOOOOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Walker: Savannah Sunshine is done!

Elle Halen: THHHHHHRRRRRRRRREEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!

Cervantes: THE SHOULDER IS UP! WHAT THE HELL!

Walker: DO YOU BELIEVE IN MIRACLES, GIA?! BECAUSE I THINK WE JUST SAW ONE! SAVANNAH SUNSHINE WILL. NOT. DIE.

Cervantes: Look at Roxy's face! She is livid! She was certain that was it! But she's being quicker now, yanking Sav up like a woman possessed! She's setting up for The Carousel! She goes up and NO! SAVANNAH SUNSHINE SPINS ROUND AND CATCHES ROXY'S ARMS WIN A CHICKEN WING! CANDY CRUSH! CANDY CRUSH! SHE HIT IT! COVER!

Elle Halen: ONNNNNNEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Walker: Roxy's done! She's done!

Elle Halen: TWWWWWWWWWWOOOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Cervantes: What a moment!

Elle Halen: THREEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Walker: NO! WHY?! FOR THE LOVE OF- WHY?!?!?!?

Cervantes: THE DOLLHOUSE JUST PULLED REFEREE ELLE HALEN OUT OF THE RING!  
ROXY'S STILL IN THIS!

Walker: Something has to be done about this! This is the second time in this match that Savannah Sunshine has victory in her grasp, and the second time that these two have ruined it! Elle Halen's telling them to leave but they're not even listening! This is pathetic!

('Chimichanga' by Kali Uchis hits to a massive ovation, as TyAnna Jupiter sprints down the entrance ramp.)

Walker: THE CHAMP IS HERE! THE CHAMP IS HERE! TYANNA JUPITER MAKING A BEELINE FOR RINGSIDE! AND SHE CLOBBERS THE DOLLHOUSE WITH A DOUBLE LARIAT! NOW SHE HURLS APHRODITE MARIE INTO THE RING POST! BUT DIVA, SHE'S...

Cervantes: DiVa's retreated into the ring but she's met by a furious Savannah Sunshine! Savannah with repeated forearms to DiVa! And she throws her out of the ring into the waiting arms of TyAnna Jupiter! TyAnna sends DiVa hurtling into the ring steps but look at what's happening in the ring! Savannah needs to turn around! Roxy rolls her up with a small package!

Elle Halen: ONNNNNNEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Walker: THE TIGHTS! ROXY'S GOT THE TIGHTS!

Elle Halen: TWWWWWWWWOOOOOOOOOOOOOOOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Cervantes: Has Roxy come through in the clutch again?!

Elle Halen: THHHHHHHRRRRRRREEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

(DING! DING! DING!)

('Chemical X' by contRoVersy plays, as Roxy quickly exits the ring to avoid an incoming TyAnna Jupiter. She's joined by her battered Dollhouse allies as they make their way up the ramp, laughing but still in a lot of pain.)

Rebecca Sawyer: Here is your winner...SWEEEEET ROXXXYYYYY!!!!!!!!!!!!!!!!!!!!!!

Walker: I can't believe it! Savannah Sunshine had this match won at multiple points and was foiled thanks to the dark Dollhouse! And then when she finally had an equalizer, Roxy cheated and got a handful of tights on the roll-up to win!

Cervantes: Call it cheap, call it a shortcut, call it whatever you want, all I know is that I'm looking at a winner. Roxy has quelled the fire of the returning Savannah Sunshine and put this entire show on notice. Could we be looking at the era of the Dollhouse?

Walker: Thank you for joining us, everybody, we'll see you all next week! Goodnight!

(The final image is of an exhausted Savannah Sunshine hugging the annoyed TyAnna Jupiter, the two women exchange words that are inaudible as the OWA logo buzzes.)
