## Chromebook Deployment 6-12

As you know, San Rafael City Schools is focused on **equity**. We are excited for the launch of online learning and want to ensure all students have access to the tools they need to be successful with Remote Learning! Over the next couple of weeks, we will begin **deploying Chromebooks to 6th-12th grade students who do not have access to a device at home**. If your student is in 6th-12th grade and is in need of a device, follow the directions below to check-out a Chromebook.

- **Social Distance:** Please remember to **maintain a 6-foot separation from others**. Do not come check-out a device if you are not feeling well, or you are sick. Instead, please contact your school principal for alternatives.
