

# Parent Meeting Q & A

I missed LAW camp. What do I do?

Login to Google Classroom and join the classes you have been invited to. Don't worry if you do not have all of your classes yet.

How will the schedule on the parent portal line up with the elearning schedule? Does the 7:30 class start at 8:45 during elearning?

Yes, please see the [eLearning Schedule](#).

What if the math a child is placed in is too easy? Who can we contact to see about placing them in another math?

You can contact Ms.Solomons at [vsolomon@richland2.org](mailto:vsolomon@richland2.org)

Can Intervention also be used for getting assignments completed?

Yes, if students do not have a scheduled meeting with a teacher.

Will a schedule of the classes be sent or do we have to get it ourselves from PowerSchool?

Please check PowerSchool.

My daughter has strings and we have not heard from anyone as far as instrument

We will go over all that information during the first class. Parents will receive a phone call from Mrs. Gibbs the first week, email information, and have a chance to attend a Virtual Parent Meeting. They can email Mrs. Gibbs at [egibbs@richland2.org](mailto:egibbs@richland2.org) if they want any questions answered immediately.

Ms. Williams, my son is finishing up the second summer reading novel assignment. It needs to be turned in before Monday, correct? Students should use the [summer reading form](#) to submit assignments or they can be sent via email to [kwilliams@richland2.org](mailto:kwilliams@richland2.org).

Will we get an email with the extensions needed to do things like raise a hand in class? Are they going to be using google meet? Teachers will be using Google Meet to conduct classes. The link to the meet is in each teachers' Google Classroom. Students will need to be logged into their Richland2 Google account to complete many of the activities Teachers will have students install extensions as needed.

My son signed up to play the cello in music class this year. Will the school be providing instruments to bring home?

We will go over all that information during the first class. Parents will receive a phone call from Mrs. Gibbs the first week, email information, and have a chance to attend a Virtual Parent Meeting. The school has limited instruments for cellos and basses that can be sent home on a first come/first serve basis. They can email Mrs. Gibbs at [egibbs@richland2.org](mailto:egibbs@richland2.org) if they want any questions answered immediately.

How will my daughter access the elective classes? There has not been any communication. Elective teachers will have Google Classrooms set up and students will be sent invites by Sunday. Please be patient with elective teachers as they all teach 12 classes and between 200-300 students each. If you have any specific questions, you can email their students' elective teacher directly.

I see the four core classes in my son's Google Classroom, but I don't see any of his electives. How does he login to his elective classes come Monday morning? How does he login to each of his Core classes? Are there links in Google classroom? There is a link on each google classroom for students to login

**Are we going to have Extended Tuesdays?**

**We will address this once we move into phase 3.**

**I see homeroom, co-curricular, and Magnet 1 under my son's schedule. What will those be used for?**

**Homeroom and co-curricular are the same class. They are used as an advisory period.**

**When are the schedules finalized?**

**The schedules should have been finalized on 8/26. There may be some changes as schedules are reviewed for accuracy.**

**When will a new lead teacher for LAW be announced?**

**The Leadership class for LAW is currently being taught by Dr. Terra Wright. She is our Curriculum Effectiveness Specialist (CES). She has experience teaching the Leadership class, so your students are definitely in good, capable hands. In the meantime, our principal, Ms. Taylor, is working on solidifying the Law Lead Teacher position so all information will come directly from her.**
