

Hi everyone! I am letting go of a few perfumes that haven't worked for me. I hope they find loving homes. Thanks for looking! 😊

### Notes:

- I'm happy to ship internationally and will combine shipping for multiple bottles.
- All perfumes have been stored in a box away from light and heat in a smoke-free and pet free home.
- All perfumes have been ordered directly from the house or from Ajevie and have been cleanly tested once or twice unless otherwise stated.
- Perfumes will be sanitized (including the rollerballs if applicable) with 99% isopropanol before shipping.
- I reuse packaging and bubble wrap.
- There is no minimum order. Feel free to make me a bundle offer if you're purchasing 3 or more items.
