

Stay Connected is a way that MCPS and RMS are reinforcing the importance of staying connected to peers, teachers and education.

Please be sure you are staying connected with RMS by checking the *Sunday Night Connect-Ed* message for important information and future events.

Be sure you receive the *RMS PTSA Parent ListServ* emails. If you do not, please [email Mrs. Girimonte](#) to be added to the distribution list, and able to reach your child's counselor and teachers via email.
