

Why not live more with your dog (name)?

Humans and dogs are the same, If humans and dogs both eat healthy diets, they tend to live longer lives.

Eating healthy as a human is expensive enough...

Fresh produce is more expensive than processed foods like Organic produce
Grass-fed beef, and Free-range eggs.

So, I got you the solution...

What about healthy food for your dog with all natural and handmade that is easy to make All you need is 3 minutes.

If you're running late for work or feeling under the weather, no extra effort is required – just open and pour.

Also, your meal will be delivered to your house every day, so you don't have to waste time going out and getting it.

Welcome to the diet adventure with your new partner-in-crime! 😄

So, I am asking you again, Why not live more with your dog (name)?
