

2025 Appointment Order Information

Tian's Grips

Step 1 – To schedule an appointment, kindly reach out to us via phone or email. Our availability spans weekdays from 9 AM to 4 PM. For weekend appointments, please contact us directly to coordinate. We will promptly confirm available dates for your appointment.

Step 2 – Upon your scheduled appointment, visit our workshop at the designated date and time. Hand and finger measurements will be taken during this session. The crafting process typically spans between 1 hour and 15 minutes to 1 hour and 30 minutes. For first-time customers, the process may require a slightly extended duration to ensure precision.

Additionally, we provide comprehensive instructions on the correct application and usage of your newly crafted grips.

Your order information will be stored on file so the next time you need to order an identical pair of grips, you can do so by mail!

If you have any questions or concerns, please contact us.

We accept special requests and accommodations to ensure that your grips will be a perfect fit for your hands!
