

Part B Transfer form

Application to transfer a permit

Local Authority Pollution Prevention and Control
Pollution Prevention and Control Act, 1999
Environmental Permitting (England and Wales) Regulations 2016

Introduction

When to use this form

The environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a 'Part B' permit and wish to transfer the permit in whole or in part to another person ('the proposed transferee') under the Environmental Permitting (England and Wales) Regulations 2016 ("the EP Regulations"). Both the operator and the proposed transferee must jointly apply to have the permit transferred.

Before you start to fill in this form

You are strongly advised to read relevant parts of the [Defra general guidance manual issued for LA-IPPC and LAPPC](#). This contains a list of other documents you may need to refer to when you are preparing your application, and explains some of the technical terms used. You will also need to read the relevant Process Guidance note. The EP Regulations can be obtained from [The Office of Public Sector Information](#).

Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the application for transfer to enable it to be processed further. When complete return to:

London Borough of Hackney, Sustainability and Environment Team, Land Water Air, Hackney Service Centre, 1 Hillman Street, London E8 1DY

Other documents you may need to submit

There are a number of other documents you will need to send us with your application. Each time a request for a document is made in the application form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with this reference number and the application reference number, if you have been given one, which will be at the top of the form overleaf. If you do not have either of these, please use the name of the installation.

Using continuation sheets

In the case of the questions on the application form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so by stating a document reference number for that continuation sheet. Please also mark the continuation sheet itself clearly with the information referred to above.

Copies - not relevant for e-applications

Please send the original copies of the form and all other supporting material, to assist the Authority in conducting any necessary consultation process. You are encouraged to keep copies of these documents for your own records.

If you need help and advice

We have made the application form as straightforward as possible, but please get in touch with us at the local authority using the email address: landwaterair@hackney.gov.uk if you need any advice on how to set out the information we need.
