OBJECTIVE

My goal is to attend a nationally prominent academic university. I hope while attending a prestigious university, I will help foster recognition and pride within my school as a contributing member of their football program. I am fully committed to taking the most rigorous academic courses my high school provides through the AP program. Athletically, I feel very blessed that our program at Boerne HS will best prepare me to be tested and proven as a quality recruit for any college football program. I appreciate the time and consideration in this upcoming recruitment process.
