

**Associate Professor Silvia Masiero**

Silvia Masiero is an Associate Professor of Information Systems at the University of Oslo. She is co-chair of the AIS Women's Network. She has authored over 20 peer-reviewed works in the domain of Information and Communication Technology for Development (ICT4D) and has a long-standing interest in the role of digital platforms in socio-economic development processes. She is a Senior Editor at the Electronic Journal of Information Systems in Developing Countries and an Associate Editor at Information Technology for Development.

**Assistant Professor Safa'a AbuJarour**

Safa'a is an Assistant Professor of Management Information Systems at An-Najah National University in Palestine. She has been announced as an AIS Distinguished Member in December 2021. Safa'a is a Conference Co-Chair at the MENA Conference of Information Systems (MENACIS 2021), a Track Chair at the European Conference on Information Systems, and a Minitrack Chair at the Americas Conference on Information Systems and at the Hawaii International Conference on System Sciences. She is also an Executive Board Member of the AIS Women Network College and AIS SIG Social Inclusion. She has been conducting research related to social inclusion, digital integration, digital learning, working from home, and COVID-19 related topics. Her research has been published and presented in top-tier venues.

**PhD Student Franziska Schmitt**

Franziska Schmitt is Research Associate at the Europa-Universität Flensburg and PhD Candidate at Freie Universität Berlin. In her research, she is working at the intersections of digital entrepreneurship, diversity, and innovation. Specifically, on stereotypes and barriers that women digital entrepreneurs are facing when exploring and exploiting digital innovation. Franziska's work has been published in the A\* (CORE 2018) ranked International Conference on Information Systems (ICIS) conference. At Europa-Universität Flensburg, she develops structures for an entrepreneurial university, anchors (extra-)curricular entrepreneurship courses, enhances the exploitation of students for entrepreneurial thinking and acting, and offers start-up consulting and support.
